Bucks-La Salle Dual Admission Students: Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at Bucks County Community College. In order to meet the requirements of La Salle’s Core, students must take **CORE Qualifiers** – one Philosophy course, one Religion course – at La Salle if they have not taken courses at Bucks that will fulfill these requirements. See recommendations on the reverse side under “Advising Notes Related to Core Qualifiers” for which specific Bucks courses will fulfill these requirements.

Non-Dual Admission students who transfer to La Salle University will be required to complete the entire La Salle Core, which includes specific courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, www.lasalle.edu, to view the current course catalog.

to NUTRITION (B.S. Nutrition) – Didactic Program Only – at La Salle University**

Advising Notes Related to Core Qualifiers – For Dual Admission Students:

- 1) Any Philosophy (PHIL) course at Bucks satisfies La Salle’s Philosophy Core Qualifier.
- 2) If students choose to take HUMN120 it will satisfy the **Arts/Humanities** requirement for this major, and also meets the Religion Core Qualifier at La Salle. Other Religion courses at Bucks that satisfy La Salle’s Religion Core Qualifier are HUMN121, HUMN122, HUMN125, HUMN127, HUMN128, and HUMN129.

Additional Admission Requirements for Nutrition Applicants:

- 1) Students must have a minimum cumulative GPA of 2.75 as well as a science GPA of 2.75 or better.
- 2) Students are permitted to repeat one science one time in order to obtain the required 2.75 science GPA.
- 3) Students are required to submit official transcripts after each semester in which additional coursework was earned. It is the students’ responsibility to make sure that La Salle has their most recent and updated transcripts before starting classes. All final transcripts **MUST** be received before attending La Salle. Failure to comply will result in a hold on all future registration at La Salle.
- 4) Students must submit two letters of recommendation (one must be academic in nature).
- 5) Students must submit one essay or personal statement.

Additional Notes:

- 1) Dual Admission is available for the Nutrition Didactic program only and not the Nutrition Coordinated program.
- 2) The maximum number of credits that a student may transfer to La Salle is 70. Additional courses beyond the Associate degree can be taken at Bucks to meet program requirements at La Salle.
- 3) La Salle will accept credit on a case by case basis earned through one of the following sources: the College Level Examination Program (CLEP), the Defense Activity for Non-Traditional Education Support Program (DANTES) and in accordance with the recommendations of the American Council on Education (ACE).
- 4) Students are strongly advised to use this guide with the assistance of Transfer Services at Bucks. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with Transfer Services for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at Bucks. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
