Bucks-La Salle Dual Admission Students: Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University's Core will essentially be fulfilled by the Core at Bucks County Community College. In order to meet the requirements of La Salle's Core, students must take CORE Qualifiers – one Philosophy course, one Religion course and one Computer Science course – at La Salle if they have not taken courses at Bucks that will fulfill these requirements. See recommendations on the reverse side under "Advising Notes Related to Core Qualifiers" for which specific Bucks courses will fulfill these requirements.

Non-Dual Admission students who transfer to La Salle University will be required to complete the entire La Salle Core, which includes specific courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, www.lasalle.edu, to view the current course catalog.

La Salle will accept credit on a case by case basis earned through one of the following sources: the College Level Examination Program (CLEP), the Defense Activity for Non-Traditional Education Support Program (DANTES) and in accordance with the recommendations of the American Council on Education (ACE).

Advising Notes Related to Core Qualifiers – For Dual Admission Students:

- 1) Any Philosophy (PHIL) course at Bucks satisfies La Salle's Philosophy Core Qualifier.
- 2) If students choose to take HUMN120 it will satisfy the **Arts/Humanities** requirement for this major, and also meets the Religion Core Qualifier at La Salle. Other Religion courses at Bucks that satisfy La Salle's Religion Core Qualifier are HUMN121, HUMN122, HUMN125, HUMN127, HUMN128, and HUMN129.
- 3) Students may take CISC100 Introduction to Computers or CISC110 Introduction to Information Systems as an additional course at Bucks to satisfy La Salle's Computer Science Core Qualifier.

Advising Notes Related to Major Course Requirements:

- 1) For the **Social Science/Diversity** requirement, it is recommended that Non-Dual Admission students choose from: ECON111, POLI111, PSYC110, SOCI110, HIST 111, HIST112, HIST113, HIST114, HIST151, HIST152 to fulfill part of La Salle's School of Arts and Sciences Core requirements.
- 2) Students should take MATH140 Calculus I prior to transferring to La Salle. It is a necessary prerequisite of the Physics sequence which students will need to take at La Salle in their junior year.

Additional Notes:

- 1) The maximum number of credits that a student may transfer to La Salle is 70. Additional courses beyond the Associate degree can be taken at Bucks to meet program requirements at La Salle.
- 2) A transfer student must complete at least half the major courses at La Salle.
- 3) Students are strongly advised to use this guide with the assistance of Transfer Services at Bucks. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with Transfer Services for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at Bucks. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
