60 transfer credits toward your DVC degree must be transferred to attain Junior Status. Additional courses may be taken prior to transfer. Use Appendix 1 or 2 or contact Mrs. Frances Flood, Transfer Coordinator at DVC for individual help at 215-489-2296.

NOTE: Students transferring to DVC must complete at least forty-eight (48) credits in course work at Delaware Valley College including at least fifteen (15) credits in their major. Transferring more credits beyond the Associate degree may make scheduling a full time course load at DVC more difficult.
