Note 1: There are at least 18 credits of Electives in each of these majors and 9 credits of B.A Requirements in Arts, Humanities, Social Sciences, Natural Sciences, Quantification, and Foreign Language. Penn State's Integrative Arts and Letters, Arts, and Sciences are flexible in the requirements

for the major. Many courses in Communications Studies will fulfill the requirements for the Major, for Electives, for B.A. Requirements, or for General Electives, depending on the student's major.

Note 2: Keep track to fulfill Penn State Abington's **General Education requirements** for these majors:

- 6 credits in Arts
- 6 credits in Humanities
- 6 credits in Social and Behavioral Sciences
- 3 credits Health and Physical Activity
- 6 credits in Quantification (with at least 3 credits in Mathematics or Statistics)
- 9 credits in Natural Sciences
- 3 credits in United States Cultures, 3 credits in Other Cultures, *and* 3 credits in International Cultures can double count with the courses listed **above (example: U.S. History= both Humanities and U.S. Culture requirement; any Western Heritage History = both Humanities and International Cultures requirements; SOCI 120 = Social/Behavioral Sciences and Other Cultures requirements)**

Note 3: Students who took COMP 111 prior to July 2015 will receive credit for ENGL202B. After July 2015, COMP 111 offers no transfer credit because it transfers as COMP 110. COMP 111 is under review. Current Bucks CCC students should request permission to *substitute* COMP 114 for COMP 111 to receive credit for ENGL202C, Technical Writing.

Note 4: Take any course on the Program Electives list except VAGD 101; it does not transfer because Penn State does not offer a similar course. Also, some courses have not yet been evaluated by Penn State: JOUR 278, KINS 126, KINS 130, VAPH 110, VAPH 210, and VAPH 211.

Note 5: Take any BIO, CHEM, or SCIE.

Note 6: Take MATH 101 or higher, but not MATH 102 or 105.

Note 7: Penn State suggests one of the following: HLTH 103, 110, 120, or 130. Note that Penn State requires *3 credits* of Health and Physical Activity.

Note 8: **Additional Policies:** Transferable courses **MUST** have a grade of **"C" or better**. Developmental and remedial courses are **NOT** included in transferable credit. Course work from another college or university **must be evaluated separately**. Penn State Abington's degree requires a **minimum 2.0 GPA** for transfer as calculated by Penn State.

Before admission, students must complete certain high school courses, including math and foreign language. See psu.edu/admissions/.

This Transfer Guide is designed for **Penn State Abington ONLY**.

This Transfer Guide may change without notice before the student is admitted to Penn State Abington.

BCCC students should confirm their academic plans with a Transfer Counselor at Penn State Abington: 215-881-7600 (option 2) or abingtonadmissions@psu.edu.
