Bucks-La Salle Dual Admission Students: Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at Bucks County Community College. In order to meet the requirements of La Salle’s Core, students must take **CORE Qualifiers** – one Philosophy course, one Religion course and one Computer Science course – at La Salle if they have not taken courses at Bucks that will fulfill these requirements. See recommendations on the reverse side under “Advising Notes Related to Core Qualifiers” for which specific Bucks courses will fulfill these requirements.

Non-Dual Admission students who transfer to La Salle University will be required to meet the complete La Salle Core, which includes two Religion courses, two Philosophy courses and one Computer Science course, among others. The courses recommended on this Transfer Guide will better prepare students for transfer to La Salle University.

La Salle will accept credit on a case by case basis earned through one of the following sources: the College Level Examination Program (CLEP), the Defense Activity for Non-Traditional Education Support Program (DANTES) and in accordance with the recommendations of the American Council on Education (ACE).

**When equivalent courses are worth different credit amounts, the course will be satisfied and the amount of credit earned will transfer.*
