Encore Professional Networking Social
Wednesday, April 29th
1:00pm-3:00pm

Presents:
“Professional Networking Workshop”
with
Mitch Federman
Vice-President of Marketing and Sales for JoMax Consulting LLC

As a sales professional and community leader, Mitch helps lead a community-based organization called the Newtown Networking group which has assisted over 160 business and technical professionals return to the workforce. He is an active member of the Chester County HireONE Taskforce and also works with veterans groups to migrate military culture, language, and skills of returning veterans. The workshop will cover:

- Why networking is important to your professional and personal development,
- How to prepare for a networking event,
- How to successfully network with professionals and peers
- How to follow up with new connections.

Please RSVP by Monday, April, 27th to confirm attendance and room location at encore@bucks.edu
