

Divisibility

Tricks

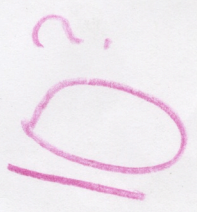

1

All #'s are divisible by

2

divisible by

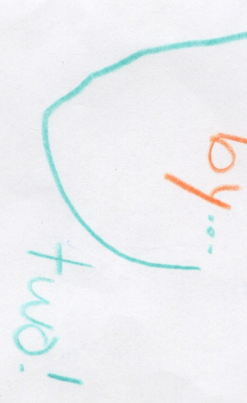

Look For Zero!

Maeve Terrill
Doyle Elementary

3

even #'s

are divisible by...

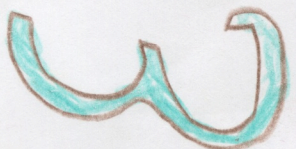

4

add them up and

you will

if a # is divisible by

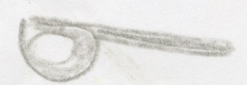

246
2+4+6=12
3 goes in 12

5

add the digits and you will find if a # is divisible by

Just like 3

Got 2?

Got 3?

Then you've got!
