SANTA CLAUS

How To CATCH

2

Step 1: Get at least 2-3 electronics that can

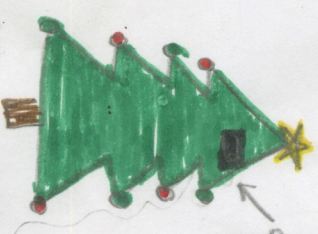

face time, Skype, or YouTube. Also, you need 2 people from the same house.

Hint: Keep your device charging the whole time so it doesn't die.

3

Step 2: Hide one of those electronics in the Christmas tree while your in contact and can see the other electronic.

4

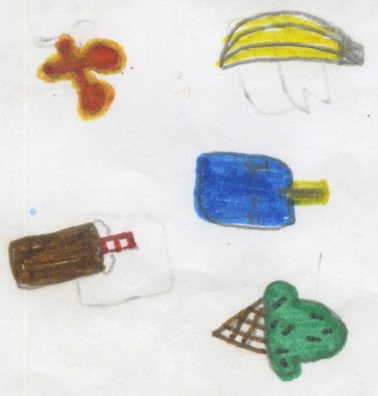

Step 3: With your 2nd person make a rotation plan that someone sleeps and someone checks the camera. Also, make a plan with how many minutes.

10 min.
55 sec.
left in rotation

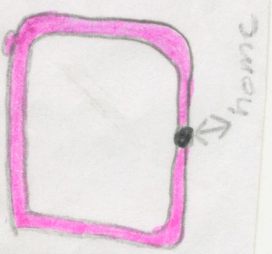

5

Step 4: Don't forget to bring up food so you don't starve.
