How to make a Diary

STEP 1

Grab atleast 5-10 pieces of paper or a binder with the papers

STEP 2

fold the papers like a card and staple it together and write the title and if your doing the binder, if the paper has holes, put the papers through it and write the title

You now have your very own Diary!

STEP 6

STEP 5

add some pictures!

Start writing day 1-Blank Blank Bla

STEP 4

Number the pages!

STEP 3
