

Bye!

Step#3 =  
 You have to know foot skills  
 Find them on the internet.  
 Net.

When you kick the ball  
 you use the foot that you  
 not going to kick with  
 and aim it at the person  
 when you kick you have  
 to use the side of your  
 foot.

Step 2#  
 You also need to know  
 how to dribble the ball and  
 kick it. You dribble the  
 ball with your feet and  
 you try to keep it close.

In offense there is right  
 wing, left wing, right for-  
 ward and left forward.  
 They try to shoot at the  
 opponents' net. Then  
 you can score and maybe  
 it depends if the other team  
 scores more than you would  
 win.

Step#1

First, you need to know the  
 positions. It is one of  
 the most important things you  
 need to know. Now, there is  
 a goal. It is a defender. It  
 stops goals from getting in. Man  
 Defenders are sweeper, stop-  
 per, full back, and right  
 full back.
