Continuing the Tradition of Excellence

Dr. Stephanie H. Shanblatt
President, Bucks County Community College

Annual Report
July 1, 2012 – June 30, 2013
Dear Friends:

Thank you for your support and continued loyalty to Bucks County Community College. Please take a few minutes to read about fellow donors, and our students, faculty and staff. In addition, take in the facts and figures, and see the impact gifts of any size have at your community college.

One of the most memorable highlights this year included the inauguration of Bucks’ fourth president, Dr. Stephanie Shanblatt, who succeeded Dr. James J. Linksz who retired after 20 years of service. You can read more about our new president in this annual report, as well as review the progress we have made, both as a College and as a Foundation, in our “Year in Review.”

One of the other things you will check for is your name in the appropriate giving circle to be sure it is correct. If we made a mistake, please let us know. And if your name is not listed, consider making a gift before June 30, 2014, so your participation will be recognized in the 2013-2014 report.

Through this annual report, we want to show how you have helped to shape the College’s past and the importance for staying committed to its future. Thank you again for your investment in higher education.

Sincerely,

Tobias Bruhn, CFRE
Executive Director

P.S. To make a gift to Bucks County Community College, use the envelope contained in this report, visit www.bucks.edu/foundation, e-mail foundation@bucks.edu, or call 215-968-8224.
The Bucks County Community College Foundation continues its quest for balanced and sustained growth while advancing the College as a community of excellence, and providing a quality education to all interested and active learners.

This year, we had reason to celebrate several milestones in the Foundation’s long and proud history. Thanks to a generous bequest from an alumnus, Bucks received the largest gift since opening its doors in 1964. In addition, overall giving increased by 56%, and for the first time ever we exceeded $1 million in total giving. Thanks to the generosity of our alumni and community friends, we have been able to increase our overall endowment by $2 million since 2010, award more scholarships to students, and make strategic investments that make Bucks an even better place to learn.

The work of Bucks and its Foundation touches thousands of lives each day. The financial gifts entrusted to us by you, our donors, enables us to make a difference and change lives. This annual report demonstrates the power of private support and is our opportunity to thank you and recognize your contributions. With your continued support, we will meet future challenges and further enhance the College’s community of excellence. Without gifts from the greater community, Bucks would be limited in what it can provide for its students. On behalf of the Foundation Board of Directors, thank you for generously contributing your time and resources to advance our community college.

Sincerely,

Philip W. Wursta
President, Board of Directors
Bucks County Community College Foundation

Bucks County Community College is a place where students discover their passion, explore new horizons, and create a sense of purpose in their lives. From our innovative faculty to our caring, engaged staff, the college is a community of service, bound by our ideals of scholarship and student success.

As together we work in service to our students, we encourage our students to find the joy in learning, in community service to others and in reaching their educational goals.

The engagement and support of our entire community, including the Foundation Board and our generous donors, is at the heart of our mission to provide a quality educational experience for all. We thank you for your efforts on behalf of our students.

Stephanie H. Shanblatt, Ph.D.
President, Bucks County Community College
JULY & AUGUST
Five new scholarships were established this fiscal year, providing nearly $43,000 of tuition assistance to Bucks students: Professor Mary Hamm Memorial Nursing Scholarship, Elizabeth Rooney Music Scholarship Endowment, Historic Preservation Field Studies Scholarship, Kopper Kettle Legacy Scholarship in memory of Doris C. Green, and the Elizabeth and Laura Bruhn International Students Scholarship.

SEPTEMBER
A sold-out field of 144 golfers took to the links at the 18th annual Golf Classic at Commonwealth National Golf Club. The event raised just over $40,000 for student scholarships and priority projects not funded through traditional sources. That same month, hot tea and hot topics were the order of the day at the fourth annual Women’s Scholarship Tea. More than 60 people attended the fundraiser in historic Tyler Hall on the Newtown Campus, raising $10,000 for the “Salute to Mothers” Scholarship fund. Finally, the Bucks County community said farewell to President Dr. James J. Linksz as he retired from Bucks after 20 years of service. The gala raised $30,000 for his scholarship endowment.

DECEMBER & JANUARY
An anonymous alumnus bequeathed nearly $500,000 to Bucks, the largest gift in its history. This leadership gift was made in recognition of the impact Bucks has on its students and the Bucks County community.

APRIL
County officials and business and community leaders joined the campus community as Bucks dedicated the new Linksz Pavilion in honor of President Emeritus Dr. James J. Linksz at its Newtown Campus. The 9,000-square-foot building provides a common space for students, faculty, and the community.

MAY
The annual Honors Convocation ceremony saw nearly 200 students being recognized for their academic achievements, receiving more than $200,000 in scholarships.
IN REVIEW

OCTOBER
Dr. Stephanie Shanblatt officially started her tenure as Bucks’ fourth president on October 1.

More than $50,000 was donated through Pennsylvania’s Educational Improvement Tax Credit (EITC) program to benefit BCCC’s ‘Kids on Campus’ summer day camps and the Artmobile. These outreach initiatives provide learning opportunities to more than 20,000 students from Kindergarten through high school each year.

NOVEMBER
Tyler Hall welcomed back another historic artifact which was generously donated by Sid and Betsey Tyler. The portrait of a young Stella Elkins Tyler, painted by American Impressionist painter Robert William Vonnoh, now hangs publicly at the bottom of the mansion’s spiral staircase.

MARCH
More than 160 local business and community leaders attended the third annual Bucks Presidents’ Community Awards Breakfast at the Newtown Campus to learn more about the community college’s enrollment and budget situation, as well as future expansion plans. As part of the event, the Foundation Board of Directors recognized Dr. Christopher Bursk, Carol Tyler, and First National Bank & Trust Co. of Newtown for their support and advocacy.

March also marked the launch of the Gateway to Economic Self-Sufficiency Scholarship. This collaborative effort between the BCCC Foundation and the Bucks County Opportunity Council attracted 50 people to a private reception which raised nearly $50,000 for scholarships.

JUNE
The Tasting for Tyler Party celebrated its silver anniversary raising $42,000 for student scholarships and the restoration of historic Tyler Hall, the French-Norman style mansion and cornerstone of the Newtown Campus.

Despite torrential rains, the premier event attracted nearly 400 people who sampled food, wine and fine spirits from 35 area establishments.
Dr. Stephanie Shanblatt joined Bucks on October 1, 2012, as the College’s fourth president in its nearly 50 year history. With an extensive career in community college leadership, she took the leadership role following the retirement of Dr. James J. Linksz who served Bucks for two decades. Prior to coming to Bucks, Dr. Shanblatt served for 13 years in leadership roles at Lansing Community College (LCC) in Michigan, the last three years as Provost and Senior Vice President of Academic Affairs.

Active as a community volunteer, Dr. Shanblatt worked on numerous Lansing area boards and councils, three with an IT focus and two with a healthcare focus. She was a Girl Scout leader for 10 years, and member of the National Advisory Committee on Improving Outcomes for Men of Color in Community Colleges. Prior to joining LCC, she spent several years conducting molecular biological research at Michigan State University and has published her research findings in several journals. Dr. Shanblatt earned her Ph.D. in Biochemistry at the University of Pittsburgh’s School of Medicine, and her B.S. in Chemistry from the same university.

Although Dr. Shanblatt officially started her presidency in October, the Bucks community formally welcomed her with a convocation ceremony on January 22, 2013, in which she outlined her future vision. “Every once in a while, we are given an opportunity to be a part of something important, something that touches peoples’ lives, that makes a difference,” she said during the ceremony. “I feel that opportunity is right here, right now, for all of us as a part of this vibrant institution, poised to mark a half-century of touching lives in Bucks County.” Although fiscal challenges are unavoidable during this economic recovery, Dr. Shanblatt’s primary strategic focus will be on student success, including degree completion, transfer, and retention rates. “I am delighted to be at the helm of this wonderful college, and look forward to sharing our pride with our greater community,” she added.

We are very appreciative and grateful to our many volunteers who support the Foundation through their efforts on various committees: Bucks Retirees, Golf Classic, Planned Giving Advisory Council, Tyler Preservation, Tasting for Tyler, and Women’s Scholarship Tea. During the 2013 fiscal year, Foundation and Alumni Association volunteers contributed 608 hours of their time.

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To ensure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the nonprofit organizations and causes they are asked to support, we declare that all donors have these rights:

I. To be informed of the organization’s mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.

II. To be informed of the identity of those serving on the organization’s governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.

III. To have access to the organization’s most recent financial statements.

IV. To be assured that their gifts will be used for the purposes for which they were given.

V. To receive appropriate acknowledgement and recognition.

VI. To be assured that information about their donation is handled with respect and with confidentiality to the extent provided by law.

VII. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.

VIII. To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.

IX. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.

X. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

The Donor Bill of Rights was created by the American Association of Fund Raising Counsel (AAFRC), Association for Healthcare Philanthropy (AHP), the Association of Fundraising Professionals (AFP), and the Council for Advancement and Support of Education (CASE).
