

Words of Gratitude

“Thank you for believing in mothers and giving us the confidence of knowing that we’re making the right decision and that there are people out there who support us.”

Christine Sroka

2017 Salute to Mothers Scholarship recipient

“I cannot say thank you enough to those people who helped me get this far in life and one step closer to achieving my goal and achieving a brighter future for my daughter.”

Sharlyn Quinones

2014 & 2015 Salute to Mothers Scholarship recipient

“Thank you so much, from the bottom of my heart. It means the world to me and I know that these scholarships will continue to help so many other women.”

Bucks County Community College

Upcoming Events

“During my first class, I opened up my notebook and there was a post-it note that said, “Love you Mom.” I almost cried. It made me realize that she and I both understood why I’m going to school. It’s for both of our futures and I will never let her down.”

– *Elizabeth Mortimer '17*

Every \$1,000 raised is a scholarship for a woman raising at least one child while attending Bucks.

Miss Winpenny's will said a lot about her.
What does your will say about you?

In 2005, Miss Elizabeth Winpenny, the first director of the nursing program at Bucks, made a donation to start a scholarship fund for nursing students. Although she died in 2006, she lives forever because of a gift to Bucks she included in her will to allow the scholarship to continue.

Since its creation, the Elizabeth V. Winpenny Nursing Scholarship has helped 12 nursing students attend Bucks. Past recipients, many who have gone on to receive their RN, are making our world a better place and caring for those who need it most.

For more information on how simple it is to create your legacy at Bucks and continue supporting students for decades to come without it costing you anything during your lifetime, call Jenny Salisbury at 215.968.8461 or email at jennifer.salisbury@bucks.edu.

Salute to Mothers Scholarship

Professor Emerita Betty Tsai established the *Salute to Mothers Scholarship* ten years ago. Since then, the Women's Scholarship Tea has raised over \$120,000 for more than 120 mothers in their pursuit of an education at Bucks. Thank you for a decade of support and for your continued generosity.

10th Annual Women's Scholarship Tea - 2017

Bucks County Community College

Bucks County Community College is committed to the concept that everyone in our community should have the opportunity to develop his or her greatest potential. To that end, the College provides a high quality, affordable first two years of higher education. Our open door policy encourages all who wish to obtain an education to do so.

The College is reflective of the society it serves. What was once a small college of 730 students in the fall of 1965, is today an institution of nearly 10,000 credit and 20,000 non-credit students. In its history, more than one million students have attended the College to take courses for transfer, occupational skills, advancement and enrichment. The programs, courses, services, and activities it provides, touch the lives of many residents and create an environment which encourages life-long intellectual development for county residents.

Those who attended the College over the past 50 years – legislators, commissioners, teachers, doctors, lawyers, and business owners – continue to contribute to the success of Bucks County.

Bucks County Community College Foundation

In 1982, the Foundation was established as a non-profit, 501(c)(3), educational trust to provide expanded resources for the College's growth and development. Foundation funds support instructional resources, campus facilities, scholarships and awards, cultural activities, and special College projects.

In its quest to advance Bucks County Community College as a community of excellence, the Foundation proactively approaches the private sector of the Bucks County community to secure financial support and other assistance. This community support enhances the College's ongoing activities and programs as well as initiates new services and programs not adequately funded through traditional sources. In addition to soliciting and receiving funds and other gifts on behalf of the College, the Foundation raises community awareness through its special events, such as the annual Tyler Tasting Party, Golf Classic and Women's Scholarship Tea.

Follow us on:

Building Strong Communities Together

Bucks County Community College thanks the generous members of the 100 Women Who Care for selecting the Salute to Mothers Scholarship as its charity of choice this fall.
