INDUSTRIAL SKILLS INSTRUCTORS – Part-time Daytime Hours

Bucks County Community College is seeking qualified individuals to join our team of talented industrial skills instructors. Must be available to work during the day, 8:30 am – 3:00 pm.

Instructors will be responsible for instructing participants in a variety of industrial skills training programs; and should have a broad array of industry and metalwork skills (blueprint reading, shop math, measurement, safety, CNC, lathes, welding, drill press, band saw, and milling.)

Requirements: Over 10 years in industrial setting which may include electrical, welding, mechanical, troubleshooting, machining, safety and CNC skills. Must also have ability to mentor learners in soft skills such as teamwork, professional work behaviors, and professional communication. Adult teaching experience preferred. Familiarity with facilities maintenance a plus.

If interested, contact Susan Herring at susan.herring@bucks.edu or 215-968-8364.

Bucks County Community College does not discriminate against any employee, applicant for employment, student or applicant for admission because of race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.

Accordingly, all recruiting, hiring, and promoting for all job classifications will be made without regard to race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.

All recruiting and admissions of students will be made without regard to race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.
