Fall 2011 Credit Courses

Some classes are available with alternate start or end dates as noted in course listing.

How to read course information

Key to course information and requirement codes

Instructor and course requirements are subject to change.

All credit courses are Act 48 approved.

Course Offering Options

In addition to the traditional face-to-face courses that run for the standard academic semester, Bucks offers a range of learning opportunities to help students make the most efficient use of their time. All of these are fully accredited courses. The content of each course and the number of credits earned will be the same, regardless of the modality that is used to offer the course. Detailed course information for each eLearning and hybrid course is available at www.bucks.edu/welcome.

eLearning courses

- taught completely online
- may require an on-campus orientation
- allow flexibility in the student schedule
- are identified as "eLearning" in the course listing below

Orientation legend

MAN: mandatory OPT: optional
REC: recommended TBA: to be announced

Hybrid courses

- a majority of course work takes place online
- on-campus meetings required for remainder of course work
- allow some flexibility in the student schedule
- are identified as "hybrid" in the course listing below

Before registering for any hybrid course, check for mandatory meetings at www.bucks.edu/welcome.

For course descriptions, visit www.bucks.edu/catalog/descriptions.html

Times listed include the minimum number of instructional minutes. Actual class time may be longer to accommodate class breaks.

Service Learning: Courses designated as service learning include a service learning component. Students will perform some volunteer work at a non-profit agency to enhance learning through a hands-on experience.

WebAdvisor: All enrolled students are assigned a WebAdvisor account. A number of services (registration, course seat availability, grades, transcripts, Program Evaluation, etc.) are available via WebAdvisor. Go to www.bucks.edu and click WebAdvisor to access them. You will need your BCCC Username and your PIN to access your personal student records (and to register) over the web. New students and those not currently enrolled can browse for courses using WebAdvisor by clicking the "Current Students" button and then "Search for Sections."

Lesya Avramenko ('08) began taking English as a second language courses at Bucks, then completed an associate degree in social services. She has since completed a bachelor's degree and is pursuing a master's degree in social work, both at Temple University. The native of Ukraine says she's deeply grateful for her experiences at Bucks as an ESL student who found her calling.

"For me, Bucks County Community College is where I found my home, where teachers taught me to speak, to read, and to write. This feeling I'll keep in my soul for rest of my life: it's a friendly, warm, and positive community, where your heart belongs."

Justene Cieslak ('06) earned a certificate and associate degree in paralegal studies, plus a program of study award in correctional administration at Bucks. In 2011, she graduated from Penn State Abington with a bachelor's degree in administration of justice and is pursuing a career as a probation officer. The married mother of two says the small class sizes and flexible schedules appealed to her.

"The size of the college made it very personable and allowed me to really get to know my instructors. It was also a very smooth process to transfer my credits to Penn State. The advisors and faculty were all very knowledgeable and helped me through it at every step. I had a great experience at Bucks and wouldn't have done it any other way."

“PAIRED” READING SECTIONS

Some reading courses are "paired" with content courses (such as 'Intro to Psychology' to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course.

STUDENTS MUST ENROLL IN BOTH 'PAIRED' SECTIONS!

eLearning & Hybrid

eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and **Hybrid** courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught **completely online** (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses **combine on-campus meetings with online components**. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

BEFORE You Register

1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

Fall 2011 Advising and Registration

NOTE: This page is available on the web with clickable links at www.bucks.edu/fallweb

Online registration

The College strongly recommends that you register online using your WebAdvisor account. Online registration continues through August 30.

NOTE: To register full time (12 or more credits) you MUST obtain advisor approval and will not be able to complete your registration without it. All students have a WebAdvisor account created for them when they apply. Students who have attended within the last 3 years will have active accounts. If you have been away from Bucks for more than 3 years or experience technical problems, contact the Helpline (215-968-8191 or webadvisor@bucks.edu). When emailing, please remember to include your name and birth date.

To access WebAdvisor, go to www.bucks.edu and click on WebAdvisor. You may click on the 'WebAdvisor Guide for Students' to read an overview. To access your account, click on the Current Students box then LOG IN by entering your User ID and Password.

Former students may report to an in-person advising event. These will be held on Wednesdays and Thursdays from 10am to 2pm and on Wednesday evenings from 5pm to 7pm on all three campuses. These events continue through August 4. (No events are scheduled for July 6 and 7.) Students who choose this advising method are expected to register and pay via WebAdvisor.

Advising Locations

Newtown Campus: Student Service Center (Rollins Center, first floor)

Lower Bucks Campus: Reception desk

Upper Bucks Campus: Reception desk

Also, online synchronous advising is available. For details, please visit www.bucks.edu/advising.

New students must schedule an advising/registration appointment online at bucks.edu/admissions/register/newstudentreg.php.

Placement Testing

All students must complete (or have waived) placement testing in reading writing and mathematics before advising and registration. Testing dates and exemptions are listed on page 10.

Prerequisites

You must supply proof that you satisfy course prerequisites if they are not already present on your Bucks academic record. Send an unofficial transcript or grade report (or photocopy) to Admissions that shows the prerequisite course completed with a grade of 'C' or better and a Prerequisite Waiver Form (www.bucks.edu/admissions/forms/transcripteval.pdf.) These documents can also be faxed to 215-968-8110.

Payment

Your payment is due by July 13. If you register after July 13, payment is due immediately. Check your balance in WebAdvisor by clicking on "Account Summary" under the heading "Financial Profile". We strongly recommend that you use WebAdvisor's "Make a payment" option. If you pay by check or money order, mail your payment directly to the Student Accounts Office.

Print your WebAdvisor "Account Summary" page and include it with your payment. If you are receiving veteran's benefits, you must ask the Veteran's Affairs Office (215-968-8490) to enter a code onto your record that verifies that your payment is deferred.

Bucks Voices

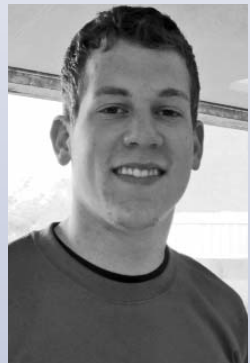

Kimberly Kratz ('11) turned to Bucks in 2009 when she was laid off from her design position in the kitchen and bath industry. She soon became active in the Phi Theta Kappa honors society, discovered her love of journalism and became heavily involved in the Centurion student newspaper. That involvement earned her the Outstanding New Member award at the 2011 Student Awards Ceremony. The communication major intends to transfer to Gwynedd-Mercy College to pursue a bachelor's degree.

"Bucks has the resources you need to get your degree. Tuition is an excellent value and there are many scholarship opportunities available. I'm so glad I chose Bucks because of the many friends I've made. It's a really comfortable place to learn."

Alex Sellen served on student government and as a Bucks Ambassador when he attended Bucks from 2009-11. He also earned two scholarships, including one from the Phi Theta Kappa honors society, which he'll use as he completes his bachelor's degree at Syracuse University's famed Newhouse School of Public Communications.

"Bucks gave me the opportunity to choose exactly what I want to do with my future. My two years here, meeting countless award-winning faculty and staff, inspired and motivated me to strive for excellence in my college career. It's nothing short of a blessing to have such a beautiful school so conveniently located that provides a great education. Besides the high-quality education, the value of Bucks was an integral part of my choice."

Richard Mohammed ('11) became the first in his family to graduate college when he completed his associate degree. Seeking a career after high school, he came to Bucks to pursue nursing, earned very good grades, and was the student speaker at the Nursing Pinning Ceremony. He says Bucks gives everyone the chance to succeed.

"I came to Bucks County Community College because it was affordable and was a well-recognized school. I never thought I would do as well as I did, but I worked hard and it happened. I can now start my career as a Registered Nurse thanks to BCCC. Bucks lets you be whomever you want to be and I'm grateful for that."
