Lesya Avramenko ('08) began taking English as a second language courses at Bucks, then completed an associate degree in social services. She has since completed a bachelor’s degree and is pursuing a master’s degree in social work, both at Temple University. The native of Ukraine says she’s deeply grateful for her experiences at Bucks as an ESL student who found her calling.

“For me, Bucks County Community College is where I found my home, where teachers taught me to speak, to read, and to write. This feeling I’ll keep in my soul for rest of my life: it’s a friendly, warm, and positive community, where your heart belongs.”

Justene Cieslak ('06) earned a certificate and associate degree in paralegal studies, plus a program of study award in correctional administration at Bucks. In 2011, she graduated from Penn State Abington with a bachelor's degree in administration of justice and is pursuing a career as a probation officer. The married mother of two says the small class sizes and flexible schedules appealed to her.

“The size of the college made it very personable and allowed me to really get to know my instructors. It was also a very smooth process to transfer my credits to Penn State. The advisors and faculty were all very knowledgeable and helped me through it at every step. I had a great experience at Bucks and wouldn’t have done it any other way.”

“PAIRED” READING SECTIONS
Some reading courses are “paired” with content courses (such as ‘Intro to Psychology’) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!
