How to Access MyBucks from Your Home Computer

- Open an internet browser (i.e. Internet Explorer) to access the internet.
  - Note: Safari is the default internet browser for the iPad and all Mac’s.

- In your browser window, type the URL address box portal.bucks.edu

- Enter your MyBucks login credentials (yourusername@adminbucks.edu and the your password):
  - Your password is the same as your Bucks network password.
  - Be sure to include the adminbucks.edu when logging in from home.

- You should now be on the MyBucks page! You can “Bookmark” this page by clicking the “Add to Favorites” button.
