## Late Registration

Late registration is held during the first week of the semester, Aug. 29 - Sept. 4. This registration procedure attempts to recognize legitimate problems in meeting the walk-in registration deadline. There is a \$25 late fee.

## Prerequisites

Many Bucks courses require prerequisites. For example, you must take Principles of Accounting I before you can take Principles of Accounting II. In addition, some courses require placement testing. Make sure you have met the prerequisites before registering for a course, or provide a transcript or grade report from another institution at registration to prove you have met the requirements.

## Course Cancellation

If a course you select is canceled due to inadequate enrollment, you will be notified and issued a full refund if you cannot substitute a suitable course.

## High School Transcripts

Please ask your high school to send your transcripts to the Admissions Office. If you earned a General Equivalency Diploma, please ask the agency that issued your GED to send your scores to the Admissions Office. This is required for all Bucks students.

## Residency Verification

All new students are required to provide proof of residency to ensure that they are charged the appropriate tuition. For in-state tuition you must be a continuous resident of the Commonwealth of Pennsylvania for at least 12 months prior to registration.

Any permanent resident of Bucks County is eligible for in-county tuition rates. In order to be considered a permanent resident, you must demonstrate residence in Bucks County prior to registration as a student. See examples of factors which may provide convincing evidence under the Commonwealth Residency requirements.

Examples of acceptable proof of residency:

- Deed, lease or rent receipts
- Personal or real estate state and local tax receipts
- Verification letter (on company letterhead) from an employer indicating address on file in Bucks County

International students – non-U.S. Citizens who do not have resident, alien, asylee, or refugee status – are charged out-of-state tuition. A copy of the Regulation of the State Board of Education of Pennsylvania, Chapter 35, Community colleges is available in Admissions (The Hub).

## Payments

**TUITION DUE DATE: JULY 11, 2012**

Full payment of tuition and fees is due at registration following the July 11 deadline. In addition, all outstanding balances with the College must be paid in order to register. **The college will cancel the registrations of students who fail to pay or defer payment by the July 11 due date.** To pay online, please visit [www.bucks.edu/payonline](http://www.bucks.edu/payonline)

The College accepts American Express, Visa, MasterCard and Discover credit cards, as well as personal checks, money orders and cash.

## Deferred Payments

If you cannot pay full tuition at registration, the College has a program that defers payment for several weeks. (You must be registered for 6 or more credits.) Please note, however, that there is a \$30 fee and a portion of tuition must still be paid at registration. For information on the Tuition Extension Agreement, call Student Accounts at 215-968-8035.

## Tuition Refund Policy

If you wish to drop a course, notify Admissions, Records, and Registration in writing with your signature either with a letter or on a Drop/Add form. Requests may be submitted in person, mailed or faxed to 215-968-8110. A drop or withdrawal becomes effective the day it is received.

Tuition and fees paid for canceled courses are refunded in full.

- Courses dropped before the official start-date of the term are refunded 100%.
- For a refund schedule for drops following the start of a semester, please visit [bucks.edu/refundschedule](http://bucks.edu/refundschedule)

**For the Fall 2012 semester, the last day for 100% refund is August 28, 2012.**

- 50% refund (Aug. 29–Sept. 8)
- 25% refund Sept. 9–Sept. 19
- Withdrawing from courses on or after Sept. 20, no refund.

The college-service fee is non-refundable.

A tuition appeal may be submitted if you are able to provide documentation that you were unable to attend your registered courses due to medical, personal, employment-related or other extenuating circumstances. Appeal forms are available online, at Admissions and at the Evening Director's office. Appeals will not be accepted after the end of the semester in question.

All Title IV Financial Aid recipients must refer to the College Catalog for the Financial Aid Refund Policy.

## Free Tuition for Senior Citizens

If you are a Bucks County resident over age 65, tuition for credit courses is waived if you register for courses available after walk-in registration has ended.

**For the Fall semester, senior citizen registration will be held Friday, August 24 from 1-4 p.m. at the Rollins Center on the Newtown Campus.**

(Those unable to register that day may still enroll during the add/drop period, Aug. 29 - Sept. 4.)

Please note the following restrictions:

- Tuition waiver for senior citizens is only available on or after August 24.
- Proof of age is required.
- Senior citizens must still pay college fees.

Of course, to ensure a wider selection of classes, senior citizens may pay full tuition at any prior registration and forfeit the tuition waiver.

# Placement Testing Information

## Placement Testing

In order to ensure your success as a student, tests are given to assess your level of learning and skills for course placement in reading, math and writing. Your adviser will use the test results to help you choose appropriate courses. **If you are a new student enrolling full-time or part-time you must take the tests before registration.**

Students for whom English is their second language, may benefit from participating in the ESL (English as a Second Language) program, which offers ESL placement tests and ESL advising. Contact the ESL Coordinator at 215-968-8018.

For a schedule of test dates and times, additional test information, and an explanation of Placement Test scores, visit [www.bucks.edu/testing](http://www.bucks.edu/testing). Questions can be addressed to [testing@bucks.edu](mailto:testing@bucks.edu) or call the Testing Center at 215-968-8466.

**Kathryn Webster** ('12) was one of only 20 students nationwide selected for the 2012 All-USA Community College Academic Team by USA Today and Phi Theta Kappa, the international honor society for two-year schools. She was also named to PTK's All-Pennsylvania Academic Team, for which she won a scholarship to complete her bachelor's degree through the Pennsylvania State System of Higher Education. The business administration major says she selected Bucks because it provided her with a high quality, affordable education.

*"Bucks far exceeded my expectations – my professors were amazing and truly cared about my education. My classes at Bucks provided me with unlimited opportunities to learn new skills that I could apply to all areas of my life, and having access to many different clubs on campus, such as PTK, enabled me to become an officer which enhanced my leadership abilities."*

# eLearning & Hybrid

## eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

**eLearning** and **Hybrid** courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught **completely online** (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses **combine on-campus meetings with online components**. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

## BEFORE You Register

1. Consult the Online Learning website ([www.bucks.edu/online](http://www.bucks.edu/online)) to be sure that online learning is appropriate for you.
2. Read the Course Information Page ([www.bucks.edu/welcome](http://www.bucks.edu/welcome)) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

# Fall 2012 Advising and Registration

## Online registration

*The College strongly recommends that you register online using your WebAdvisor account. Online registration continues through September 4.*

NOTE: To register full time (12 or more credits) you MUST obtain advisor approval and will not be able to complete your registration without it. All students have a WebAdvisor account created for them when they apply. Students who have attended within the last 3 years will have active accounts. If you have been away from Bucks for more than 3 years or experience technical problems, contact the Helpline (215-968-8191 or [webadvisor@bucks.edu](mailto:webadvisor@bucks.edu)). When emailing, please remember to include your name and birth date.

To access WebAdvisor, go to [www.bucks.edu](http://www.bucks.edu) and click on WebAdvisor. You may click on the 'WebAdvisor Guide for Students' to read an overview. To access your account, click on the Current Students box then LOG IN by entering your User ID and Password.

**Former students** may report to an in-person advising event. These will be held on Tuesday at Upper Bucks Campus, Wednesday at Newtown Campus, and on Thursday at Lower Bucks Campus from 11am to 7pm. These events will be held from June 19th through August 9th. (No events are scheduled for July 3, 4, or 5). Students who choose this advising method are expected to register and pay via WebAdvisor.

## Proof of Prerequisites

You must supply written proof that you satisfy course prerequisites if they are not already present on your Bucks academic record.

# Bucks Voices

**Linda Sesa** ('95), MSN, RNC AOCNP, turned to Bucks to advance her career from licensed practical nurse to registered nurse. She went on to earn her bachelor of science in nursing from Villanova University, and her MSN from the University of Pennsylvania. Since 1998, she's been a Health Care of Women Nurse Practitioner, and is currently at Fox Chase Cancer Center in Philadelphia, where she manages the care of breast cancer patients.

*"The associate degree nursing program at Bucks was challenging, and therefore laid an excellent foundation for my future education. In fact, I was so well-prepared for my first class in my master's program at Penn that I tutored my classmates on the mechanism of protein synthesis. Bucks set the stage for my long and satisfying career, both academically and professionally."*

**Michael Rushton** ('02) studied journalism at Bucks, where he was a writer and layout editor for the Centurion student newspaper. After he earned his bachelor's degree from Temple, he joined The Sports Network, a sports wire service in Hatboro, Pa, where he's a contributing editor and nationally syndicated columnist covering all major professional leagues. He's also been assigned to London to cover the 2012 Olympics this summer. He says he initially turned to Bucks because he was unsure of his major, and then thrived in the small class sizes and campus activities.

*"The main advantage that Bucks has over larger colleges is its smaller size. Courses are more available and you really do get more immediate attention and interaction with the professors. Bucks also offers numerous opportunities in terms of clubs that might not be as readily available at other schools. This is very specific with the journalism field, with the classes and student newspaper offering plenty of learning experiences in a very intimate environment."*

**Elizabeth Dinice**, CCC ('05), parlayed her associate degree in chef apprenticeship to earn a bachelor's degree from Fordham University and become a corporate chef. She's now director of the culinary arts program at Burlington County College in Mount Holly, N.J.

*"Bucks provided a great educational foundation of both culinary skills and theoretical knowledge that allowed me to compete successfully for jobs in great hotels and restaurants. The experience at Bucks translated seamlessly into the real world of culinary arts because of the emphasis on hands-on learning and the ability to put what you have learned in the classroom immediately to work in the field."*
