### Instructor and course requirements are subject to change.

All credit courses are Act 48 approved.

### Course Offering Options

In addition to the traditional face-to-face courses that run for the standard academic semester, Bucks offers a range of learning opportunities to help students make the most efficient use of their time. All of these are fully accredited courses. The content of each course and the number of credits earned will be the same, regardless of the modality that is used to offer the course. Detailed course information for each eLearning and hybrid course is available at [www.bucks.edu/welcome](http://www.bucks.edu/welcome).

#### eLearning courses

- taught completely online
- may require an on-campus orientation
- allow flexibility in the student schedule
- are identified as “eLearning” in the course listing below

#### Hybrid courses

- a majority of course work takes place online
- on-campus meetings required for remainder of course work
- allow some flexibility in the student schedule
- are identified as “hybrid” in the course listing below

### Orientation legend

- MAN: mandatory
- OPT: optional
- REC: recommended
- TBA: to be announced

Before registering for any hybrid course, check for mandatory meetings at [www.bucks.edu/welcome](http://www.bucks.edu/welcome).

### For course descriptions, visit [www.bucks.edu/catalog/descriptions.html](http://www.bucks.edu/catalog/descriptions.html)

Times listed include the minimum number of instructional minutes. Actual class time may be longer to accommodate class breaks.

**Service Learning:** Courses designated as service learning include a service learning component. Students will perform some volunteer work at a non-profit agency to enhance learning through a hands-on experience.

**WebAdvisor:** All enrolled students are assigned a WebAdvisor account. A number of services (registration, course seat availability, grades, transcripts, Program Evaluation, etc.) are available via WebAdvisor. Go to [www.bucks.edu](http://www.bucks.edu) and click WebAdvisor to access them. You will need your BCCC Username and your PIN to access your personal student records (and to register) over the web. New students and those not currently enrolled can browse for courses using WebAdvisor by clicking the “Current Students” button and then “Search for Sections.”

Kathryn Webster (‘12) was one of only 20 students nationwide selected for the 2012 All-USA Community College Academic Team by USA Today and Phi Theta Kappa, the international honor society for two-year schools. She was also named to PTK’s All-Pennsylvania Academic Team, for which she won a scholarship to complete her bachelor’s degree through the Pennsylvania State System of Higher Education. The business administration major says she selected Bucks because it provided her with a high quality, affordable education.

“Bucks far exceeded my expectations – my professors were amazing and truly cared about my education. My classes at Bucks provided me with unlimited opportunities to learn new skills that I could apply to all areas of my life, and having access to many different clubs on campus, such as PTK, enabled me to become an officer which enhanced my leadership abilities.”
