LATE REGISTRATION HAS BEEN ELIMINATED!

Your success as a student at Bucks is our primary concern. Our research shows those students who register for their courses after the term has begun do less well and are less likely to continue in their studies. Therefore, the College will no longer allow late registration starting with the coming Fall term. This means that you must register no later than Monday, August 26, 2013 for full-term Fall 2013 courses (courses that begin between 8/28/13 – 9/9/13).

Students who are registered for full-term courses may adjust their schedules, but late registration will no longer be accepted during the drop/add period.

Registration for 13/FA September Modulares, 13/FA October Modulares, and 14/IN, will be accepted up until two days before they begin. **Again, late registration will no longer be accepted, so be sure to REGISTER ON TIME!**

Course Offering Options

In addition to the traditional face-to-face courses that run for the standard academic semester, Bucks offers a range of learning opportunities to help students make the most efficient use of their time. All of these are fully accredited courses. The content of each course and the number of credits earned will be the same, regardless of the modality that is used to offer the course. Detailed course information for each eLearning and hybrid course is available at www.bucks.edu/welcome.

eLearning courses

- taught completely online
- may require an on-campus orientation
- allow flexibility in the student schedule
- are identified as “eLearning” in the course listing below

Orientation legend

MAN: mandatory OPT: optional
REC: recommended TBA: to be announced

Hybrid courses

- a majority of course work takes place online
- on-campus meetings required for remainder of course work
- allow some flexibility in the student schedule
- are identified as “hybrid” in the course listing below

Before registering for any hybrid course, check for mandatory meetings at www.bucks.edu/welcome.

For course descriptions, visit www.bucks.edu/catalog/descriptions.html

Times listed include the minimum number of instructional minutes. Actual class time may be longer to accommodate class breaks.

Service Learning: Courses designated as service learning include a service learning component. Students will perform some volunteer work at a non-profit agency to enhance learning through a hands-on experience.

WebAdvisor: All enrolled students are assigned a WebAdvisor account. A number of services (registration, course seat availability, grades, transcripts, Program Evaluation, etc.) are available via WebAdvisor. Go to www.bucks.edu and click WebAdvisor to access them. You will need your BCCC Username and your Password to access your personal student records (and to register) over the web. New students and those not currently enrolled can browse for courses using WebAdvisor by clicking the “Students” button and then “Search Credit Sections.”

“PAIRED” READING SECTIONS

Some reading courses are “paired” with content courses (such as ‘Intro to Psychology’ to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!

eLearning & Hybrid

eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught **completely online** (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses **combine on-campus meetings with online components**. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

BEFORE You Register

1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

Bucks Voices

Michael C. Blow attended Bucks for two years before transferring to the University of Pittsburgh to complete a bachelor's degree in a double major, Mathematics and Economics. The Newtown resident says he chose Bucks because while working for an international company, he met two people in his business travels who had graduated from the University of Pennsylvania after starting here. While at Bucks, Michael served as president of the Student Government Association, founded the chess club, and was active in Students in Free Enterprise.

"The quality of education here is outstanding. Nearly all of my professors are extremely knowledgeable in their fields and the courses they teach are quite rigorous. I was able to transfer all of my credits at full value for half the cost. However, what makes Bucks so amazing is that it's not merely a means to an end. From the location to the student body, Bucks is top notch through and through."

Mali Efraim ('13) came to the United States from Israel for a cultural-exchange program, and "life led me to stay." The business administration major, who maintained a 4.0 grade-point average, was a member of Students in Free Enterprise and the Kappa Beta Delta and Phi Theta Kappa honor societies. She also received the Future Business Leader and BCCC Foundation Endowment scholarships, and is transferring to Penn State University-Abington to complete a bachelor's degree in marketing. She says at first she didn't consider Bucks, but friends and people she trusted started telling her about it, and so she decided to give it a try.

"When I contacted the college I was really surprised. Everyone was very kind and helpful. Bucks taught me to love learning. My professors wanted even more for me – they wanted me to be passionate about their class, and they wanted me to succeed. And that's what happened."

Jonathan Webster ('13) followed in his younger sister's footsteps when he came to Bucks. Like Kathryn Webster ('12), he maintained a 4.0 grade-point average and became active on campus. And like his sister, he was one of only 20 students nationwide selected for the All-USA Community College Academic Team by USA Today and Phi Theta Kappa, the international honor society for two-year colleges. The business administration major was also named to PTK's All-Pennsylvania Academic Team, for which he won a scholarship to complete his bachelor's degree through the Pennsylvania State System of Higher Education, and was named a Coca-Cola New Century Scholar.

"Bucks offered me an almost unlimited number of options of how I could attend my classes – from on campus, to online, to hybrid. Along with intersession, summer sessions, and modules within the regular semesters, Bucks made it easy for me to work towards my degree even when my job schedule changed and when I was offered an internship during one of my semesters."
