Placement Testing
In order to ensure your success as a student, tests are given to assess your level of learning and skills for course placement in reading, math, and writing. Your adviser will use the test results to help you choose appropriate courses. If you are a new student enrolling full-time or part-time you must take the tests before registration.

Students for whom English is their second language, may benefit from participating in the ESL (English as a Second Language) program, which offers ESL placement tests and ESL advising. Contact the ESL Coordinator at 215-968-8018.

For a schedule of test dates and times, additional test information, and an explanation of Placement Test scores, visit www.bucks.edu/testing. Questions can be addressed to testing@bucks.edu or call the Testing Center at 215-968-8466.

Exemptions from Placement Testing
You may be exempt from testing:
- If you hold a bachelor’s degree from an accredited institution.
- If you have taken college-level courses in writing or math at an accredited institution and earned a grade of “C” or better.
- If you are over age 65. (But you must take the writing test to register for COMP 110).
- If you are taking courses for personal enrichment.

Visit www.bucks.edu/testing for exemption form. Students must provide documents that show their course work or degree completion.

disAbility Accommodations
If you require accommodations due to a disability, notify disAbility Services at 215-968-8182 (voice) cooperm@bucks.edu at least 5 days before taking the test to assure your requirements are met.

Testing Dates & Locations
The full testing schedule can be reviewed on-line at www.bucks.edu/testing or call the Testing Information Line at 215-968-8460. eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught completely online (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses combine on-campus meetings with online components. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

**BEFORE You Register**

1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

All students eligible for VA benefits must complete the form below and return it with their registration forms. It is imperative that this form be filled out accurately and completely. Failure to do so may result in a delay in receipt of benefits. Students applying for VA benefits for the first time must fill out an application in the Office of Veterans Affairs and submit a copy of your DD214 or your Notice of Basic Eligibility.

Returning students have the responsibility of insuring that they are certified to the VA accurately each semester that they are registered for classes. The Office of Veterans Affairs is located in the Hub. Telephone 215-968-8490. Hours are Monday through Friday, 8:30 a.m. to 4:00 p.m. during the semester. Allenda Harris (‘87) honed her communication skills at Bucks, then earned her bachelor’s degree at La Salle University. She later returned to Bucks to explore more courses. Today, she runs her own business as a voiceover professional, providing narration for radio, television and film, as well as company presentations, podcasts, and websites, from her own recording studio.

“To me, Bucks has been a springboard for great beginnings. My education there was the foundation for the Bachelor of Arts-Communications degree I later pursued and received from a four-year university. The transition went smoothly and virtually all of my credits transferred. Bucks not only helped to shape another wonderful beginning for me, but it continues to be a special place – a catalyst of sorts – where I believe knowledge meets opportunity for every student’s journey.”

F. Randy Vogenberg, R.Ph., Ph.D., graduated from Bucks in 1973, then went on to earn a bachelor’s degree in pharmacy from the University of Rhode Island, and a doctorate in health care management from Century University. Today, he is a nationally known expert on managed care, health care delivery systems, and employer benefits, and author of Pharmacy Benefits: Plan Design and Management, a 2011 top-five seller for the International Foundation of Employee Benefit Plans.

“I enjoyed the small classes with more individual faculty interaction at Bucks. This made a big difference, along with the high caliber courses I was offered by the faculty. Bucks prepared me well for moving on to success at a nationally ranked four-year university.”

Elizabeth Dinice, CCC (‘05), parlayed her associate degree in chef apprenticeship to earn a bachelor’s degree from Fordham University and become a corporate chef. She’s now director of the culinary arts program at Burlington County College in Mount Holly, N.J.

“Bucks provided a great educational foundation of both culinary skills and theoretical knowledge that allowed me to compete successfully for jobs in great hotels and restaurants. The experience at Bucks translated seamlessly into the real world of culinary arts because of the emphasis on hands-on learning and the ability to put what you have learned in the classroom immediately to work in the field.”
