BCCC requires 67 credits to complete the Nursing Program. Eastern University's graduation requirements indicate that a student must complete 121 credits, including their major and core and support course requirements. Excluding the major, many of these credits can be transferred into Eastern University. Therefore, students may be eligible to take additional credits at BCCC beyond the Associate of Arts Nursing Degree prior to transferring to Eastern.

**The following additional courses may be taken at BCCC to fulfill specific Eastern University requirements.**

PSYC 180 Human Growth & Development (or credit through CLEP exam) (3)	PSY 207 Human Growth & Development
MATH 115 Elementary Statistics (3)	Nursing major requirement/Symbolic Language – OM 320 Methods of Social Science Research
SOCI 120 Intro to Cultural Anthropology (3)	Cross Cultural Studies requirement/OM 370 Cross Cultural Studies. Course may be waived upon successful completion of other core requirements. Waiver will affect total number of credits.

**In addition to the 67 credits taken at BCC for the Nursing Program, the student will need to fulfill the following through Eastern University's Accelerated RN-BSN Program or through additional coursework:**
