

**BUCKS COUNTY COMMUNITY COLLEGE AND TEMPLE UNIVERSITY DUAL ADMISSIONS
PROGRAM
INTENT TO ENROLL FORM**

I wish to participate in the Dual Admissions Program that enables BCCC students to be admitted to Temple University after receiving an Associate Degree at BCCC and fulfilling other program conditions. I authorize BCCC and Temple to exchange necessary information as needed, including the information on this form and academic transcript data, so as to facilitate my transfer to Temple and the evaluation of this program.

Program eligibility will be determined based on the following:

1. You must be enrolled at BCCC during the semester you submit your *Intent to Enroll Form* (Spring or Fall)
2. You must have completed a total of no more than 30 credits prior to the beginning of this semester. All credits are considered: BCCC Institutional credits, Transfer credits, and credits earned through exam or portfolio evaluations. Failure to disclose credits earned from other institutions may negate program eligibility. (Former Temple students are not eligible for this program..).
3. You must be enrolled in an Associate Degree Program.
4. You must have entered your current major at BCCC no earlier than 1994 Fall Semester. (Qualified students who entered their major prior to 1994, must complete degree requirements in effect 1995 or later..).
