# ACCESSIBILITY OFFICE

## Services

All accommodations are tailored to the individual needs of each student based on their documentation presented to the Accessibility Office (TAO). All accommodations are in accordance with the Americans with Disabilities Act of 1990 (ADA), the ADA Amendments Act (ADAAA) of 2008 and Section 504 of the Rehabilitation Act of 1973.

The Accessibility Office (TAO) is here to assist all students that have any qualifying, documented disability. TAO will assist students in equal access to courses, the campus, and all activities on the college campus.
