- Trustee Tom Skiffington was recently featured on the cover of Bucks Living magazine.

- As will be reported later in the meeting, the enrollment increase for Fall semester has been significant. Adequate parking at UBC has been problematic as some spaces were lost during construction. A staff team has been working to identify alternatives and make additional parking available.
- Construction planning for the new fire training academy in Lower Bucks is progressing. The project is made possible through county, state and federal funding.
• Dr. Linksz received a publication from Tulane University acknowledging the role Bucks played in hosting several Tulane students, part of the ‘Katrina’ graduating class of 2009, who enrolled at Bucks until the New Orleans campus was able to reopen.

• Dr. Linksz reported that the College has been active in planning strategies and developing communications regarding Swine Flu specific to students, faculty and staff. Equipment and supplies have been purchased to ensure the campus environment is maintained hygienically to hamper spread of the virus.

• Finally, President Linksz noted with sadness the death of Audrey Rollins, the wife of many years of Dr. Charles Rollins, President Emeritus of the College. Condolences are conveyed to the Rollins family on behalf of the entire campus community.
