Dear Friends,

In 2005, the Bucks County Community College Foundation launched its first-ever capital campaign to assist the College in fulfilling its promise to the Lower Bucks County community. Within two years, a 55,000 square foot state-of-the-art “green” facility was constructed along Veterans Highway. Most generously, $750,000 in additional resources was pledged by the business community, alumni, and friends of the College in support of this major expansion.

As we enter our third academic year, the Lower Bucks Campus continues to develop into a vibrant educational hub that provides many services to the community. This semester, more than 1,800 students take advantage of both credit and non-credit programs. The rapid growth of our Bristol Campus, 40 percent since 2007, is expected to continue in this economy. With the addition of hybrid classes and new online learning opportunities, we strive to increase accessibility to an innovative and engaging learning environment, and meet student needs and schedules.

As the staff continues to aggressively expand course offerings and services to meet student demands, community collaborations have increased as well. For example, the College has partnered with the Keystone Bridge Business Center to create a chemistry lab in the Dow Chemical Industrial Plaza in Bristol. This new lab allows us to further increase course offerings in Lower Bucks. To date, students can complete six associate degree and two certificate programs.

BCCC continues to find new and innovative ways to fulfill its promise to the community. We invite you to consider a named gift to the campus in memory or in honor of a loved one. This newsletter includes a list of those opportunities that remain available. We hope you join us as an “Investor in Excellence.”

On behalf of our 11,000 students and the entire College family, thank you for your generous support in helping us deliver an affordable, convenient, and quality higher education experience.

Happy New Year!

Sincerely,

Dr. James J. Linksz
President, Bucks County Community College

Naming Opportunities

are an excellent way to recognize a loved one, leave a legacy, or simply show your support of Bucks County Community College. As of now, the following Named Gift opportunities remain for the Fulfilling Our Promise Campaign:

<table>
<thead>
<tr>
<th>Lower Bucks Campus</th>

An exclusive publication for friends and supporters of BCCC’s Lower Bucks Campus
The 55,000 square foot Lower Bucks Campus has become "home" to an increasing number of students, community groups and partners. The comfortable, eco-friendly, and technology laden campus continues to receive accolades from students as well as the community at large. The "wow" factor that many of the LBC staff and faculty have gotten used to is still prevalent among those seeing the facility for the first time.

Academic Affairs (Credit Programs):
The demand for course offerings and modalities has increased with enrollment. The academic staff continues to be aggressive in expanding the variety, delivery, and number of course sections to meet the needs of our students. Students are able to complete all requirements at LBC for the following programs:

**Associate of Arts Degrees**
- Accounting
- Business Administration
- Communication Studies
- Criminal Justice
- Education
- Liberal Arts: General Emphasis

**Certificate Programs**
- Management/Marketing
- Phlebotomy

**Highlights in Student Planning:**
- Orientation programs for new students held in the fall and spring semesters
- Four transfer fairs with 15-20, previously 8-10, colleges and universities in attendance (day and evening programs in the fall and spring semesters)
- Career Services Workshops: resume writing, mock interviews and interviewing skills
- Domestic Violence Awareness Month: Counseling services and other information for violence prevention
- In-class transfer and career presentations by student services staff
- Job fair co-sponsored by BCCC Career Services and the Lower Bucks Campus Program Council
- Lower Bucks Campus Student Services Information Center: stations located throughout the campus displaying specific information on academic advising, admissions and registration, financial aid, disability services, assessment testing, tutoring, career planning, counseling, safety and security, student life, transfer planning, and veterans affairs
- GED testing each month; placement testing weekly

Walk of Fame - Personalize a Brick New Year’s Special 2 for $100

Honor yourself, a friend or a loved one, and help pave the way at the Lower Bucks Campus “Walk of Fame.” With only a limited number of bricks available, reserve yours today.

Proceeds benefit the Alumni Association’s student scholarship fund, and the full amount of your gift is a deductible contribution to the extent permitted under IRS guidelines. Each 4” x 8” brick can be inscribed with three lines of up to 15 characters each. To order your brick, call 215-968-8224, e-mail alumni@bucks.edu, or complete your order online at www.bucks.edu/foundation.
