Agreement/Transfer Information

Purpose of Agreement

This agreement facilitates the transfer of Bucks County Community College graduates to Arcadia University.

Program Agreements

Students who complete the A.A. degree at Bucks as specified in the program-to-program agreement and are admitted to Arcadia University will enter with junior status and are assured credit as indicated. Transfer guides are provided for the following agreement programs:

- A.A. in Business Administration (1009) into the B.A./B.S. Business Administration degree
- A.A. in Mathematics (1006) into the B.A./B.S. Mathematics degree,
- A.A. in Computer Science (1103) into the B.A/B.S. Computer Science degree, or
- A.A. in Information Science & Technology (1102) into the B.A. Computing Technology degree.

Core-to-Core Agreement

Arcadia University agrees to accept the general education embedded in the Bucks A.A. and A.S. degrees as meeting all the requirements of its undergraduate general education requirements, except for the Global Connections Experience and Reflection and the Senior Capstone Course. (In the case where the student does not earn a “B” or better in English Composition I, a placement exam will be administered.) The Core-to-Core agreement allows the transfer student to concentrate primarily on completing the remaining courses in the major during the junior and senior years.

Guaranteed Transfer Admissions Agreement

Under the Guaranteed Transfer Admission Agreement, Bucks students will be guaranteed admission into a bachelor’s degree program with third year (junior) status (except for BFA Acting, Studio Art and Art Education students, as well as Pre-PA and Pre-PT) at AU on the condition that they:

Graduate from BCCC with an A.A. or A.S. degree,
Earn a minimum cumulative GPA of 2.3,
Enroll at AU within one year of graduation from Bucks,
Do not attend another institution of higher learning between the time they graduate from Bucks and enroll in AU,
Complete a Guaranteed Transfer Admission Intent form at the time of admission to Bucks, or no later than they have completed 30 transferable credits, and
Satisfy all other regular AU admissions requirements.

The Guaranteed Transfer Admission agreement provides:

- A full time student admitted with junior status to AU will be able to complete a Bachelor’s degree program at AU within four regular semesters, provided that the student completes the appropriate Associate degree program at Bucks and appropriately sequences and completes his/her remaining course work at AU.
- Application fee will be waived for students who enroll at AU pursuant to this agreement.
- Scholarships will be awarded based on final Bucks GPA.

Scholarships

- There are generous Distinguished Scholarship opportunities for full-time (enrolled in 12 or more AU credits per semester) and part-time (enrolled in 6-11 AU credits per semester) students who have earned an A.A. or A.S. degree at BCCC.
- AU will award the following academic scholarships to eligible full time students admitted to AU pursuant to this agreement:
  - minimum $7,500 for 3.0 – 3.19 cumulative GPA
  - minimum $9,000 for 3.2 – 3.49 cumulative GPA
  - minimum $14,000 for 3.5 – 4.0 cumulative GPA
- Part-time students with a cumulative GPA of 3.0 or higher will receive a $500 per year scholarship.
- All scholarships may be renewed each year contingent upon the student remaining in good academic standing at AU.
