Agreement/Transfer Information

Transfer Agreement with Bucks

Bucks County Community College (BCCC) and the Fort Washington, PA campus of DeVry University (DeVry) enter into this articulation agreement to provide that students who graduate from BCCC's Business Administration (1009) Associate of Arts degree program will be admitted into the Bachelor's degree program in Business Administration at DeVry.

Conditions of Agreement

Students must:

- Graduate from BCCC with a minimum cumulative grade point average of 2.25  
- Enroll at DeVry within two years of BCCC graduation  
- Satisfy all other DeVry admissions requirements

Transfer Credits

- BCCC students who transfer with an Associate of Arts degree will have their "C" or better credits count toward DeVry's degree requirements.  
- Up to 80 credits may be transferred (i.e., 17 credits beyond the BCCC requirements in Business Administration [1009]) as specified in the available course equivalency lists.  
- BCCC students are required to complete 6 humanities credits at DeVry as well as to satisfy DeVry's Professional Writing (Engl227) requirement.  
- Remedial/Developmental Coursework is not included in transfer credits.

What this means

The Agreement

- Students who complete the prescribed program of study (DeVry Bus Admin program sheet) in BCCC's AA degree program in Business Administration (1009) can enroll at DeVry University and can complete their bachelor's degree in as little as 20 months (transferring 63 credits).
Students who complete up to 17 additional approved credits at BCCC (DeVry remaining courses) beyond the prescribed program of study for the BCCC AA degree program (1009) can complete their bachelor's degree at DeVry in as little as 16 months (transferring 80 credits).
