Agreements and Advising Guides

NEW!

Advising Guides: Behavioral Health Counseling and Health Services Administration

Drexel University provides advising guides for two programs in the College of Nursing and Health Professions. These programs are available in a full-time program or in the part-time accelerated Saturday Scholars program.

Advising Guides are available for the following programs:

- A.A. in Social Services (1130) to B.S. in Behavioral Health Counseling
- A.A. in Liberal Arts: Psychology – Interpersonal (1183) to B.S. in Behavioral Health Counseling
- A.A. in Liberal Arts: General (1002) to B.S. in Behavioral Health Counseling
- A.A. in Business Administration (1009) to B.S. in Health Services Administration
- A.A. in Pre-Allied Health (1105) to B.S. in Health Services Administration

Computing and Security Technology Agreement

Drexel provides an advising guide for students interested in completing a BS degree in Computing and Security Technology through Drexel’s Goodwin College.

Bucks students may complete an associate degree in one of the following programs.

- Information Science & Technology (1102)
- Computer Science (1103)
- Networking Technology (2136)

By following the courses in the Transfer Credit Advising Guide, Bucks students can plan for an efficient transfer of
courses to Drexel’s CST program.

**Business and Engineering Advising Guides**

Students who are interested in completing a degree at Drexel University in Business or Engineering should use the following advising guides, in consultation with an academic advisor:

- Business Administration
- Engineering
