Late Registration
Late registration is held during the first week of the semester, Aug. 24 - Aug. 30. This registration procedure attempts to recognize legitimate problems in meeting the walk-in registration deadline. There is a $25 late fee.

Prerequisites
Many Bucks courses require prerequisites. For example, you must take Principles of Accounting I before you can take Principles of Accounting II. In addition, some courses require placement testing. Make sure you have met the prerequisites before registering for a course, or provide a transcript or grade report from another institution at registration to prove you have met the requirements.

Course Cancellation
If a course you select is canceled due to inadequate enrollment, you will be notified and issued a full refund if you cannot substitute a suitable course.

High School Transcripts
Please ask your high school to send your transcripts to the Admissions Office. If you earned a General Equivalency Diploma, please ask the agency that issued your GED to send your scores to the Admissions Office. This is required for all Bucks students.

Residency Verification
All new and current students are required to provide proof of residency to ensure that you are charged the appropriate tuition. For in-county tuition you must be a continuous resident in Bucks County for at least 12 months prior to registration.

Examples of acceptable proof of residency:
- Deed, lease or rent receipts
- Personal or real estate state and local tax receipts
- International students - non-U.S. Citizens who do not have resident, alien, asylee, or refugee status are charged out-of-state tuition. A copy of the Regulation of the State Board of Education of Pennsylvania, Chapter 35, Community colleges is available in Admissions (The Hub).

Payments
TUITION DUE DATE: JULY 13, 2011
Full payment of tuition and fees is due at registration following the July 13 deadline. In addition, all outstanding balances with the College must be paid in order to register. The college will cancel the registrations of students who fail to pay or defer payment by the July 13 due date. To pay online, please visit www.bucks.edu/payonline. The College accepts American Express, Visa, MasterCard and Discover credit cards, as well as personal checks, money orders and cash.

Deferred Payments
If you cannot pay full tuition at registration, the College has a program that defers payment for several weeks. (You must be registered for 6 or more credits.) Please note, however, that there is a $30 fee and a portion of tuition must still be paid at registration. For information on the Tuition Extension Agreement, call Student Accounts at 215-968-8035.

Tuition Refund Policy
If you wish to drop a course, notify Admissions, Records, and Registration in writing with your signature either with a letter or on a Drop/Add form. Requests may be submitted in person, mailed or faxed to 215-968-8110. A drop or withdrawal becomes effective the day it is received.

Tuition and fees paid for canceled courses are refunded in full.
- Courses dropped before the official start-date of the term are refunded 100%.
- For a refund schedule for drops following the start of a semester, please visit bucks.edu/refundschedule

For the Fall 2011 semester, the last day for 100% refund is August 23, 2011.
- 50% refund (through Sept. 3)
- 25% refund Sept. 4-Sept. 14
- Withdrawing from courses on or after Sept. 15, no refund.

The college-service fee is non-refundable. A tuition appeal may be submitted if you are able to provide documentation that you were unable to attend your registered courses due to medical, personal, employment-related or other extenuating circumstances. Appeal forms are available online, at Admissions and at the Evening Director's office. Appeals will not be accepted after the end of the semester in question.

All Title IV Financial Aid recipients must refer to the College Catalog for the Financial Aid Refund Policy.

Free Tuition for Senior Citizens
If you are a Bucks County resident over age 65, tuition for credit courses is waived if you register for courses available after walk-in registration has ended.

For the Fall semester, senior citizen registration will be held Friday, August 19 from 1-4 p.m. at the Rollins Center on the Newtown Campus. (Those unable to register that day may still enroll during the add/drop period, Aug. 24 - 30.) Please note the following restrictions:
- Tuition waiver for senior citizens is only available on or after August 19.
- Proof of age is required.
- Senior citizens must still pay college fees.

Of course, to ensure a wider selection of classes, senior citizens may pay full tuition at any prior registration and forfeit the tuition waiver.

FINAL GRADE REPORTING
Bucks students will receive their grades online through WebAdvisor instead of in the mail. However, if you'd still like grades mailed to your home, you can request a grade report from Admissions by 12/15/11. See website for details: www.bucks.edu/graderequest
Placement Testing
In order to ensure your success as a student, tests are given to assess your level of learning and skills for course placement in reading, math and writing. Your adviser will use the test results to help you choose appropriate courses. If you are a new student enrolling full-time or part-time you must take the tests before registration.

Students for whom English is their second language, may benefit from participating in the ESL (English as a Second Language) program, which offers ESL placement tests and ESL advising. Contact the ESL Coordinator at 215-968-8018.

For a schedule of test dates and times, additional test information, and an explanation of Placement Test scores, visit www.bucks.edu/testing. Questions can be addressed to testing@bucks.edu or call the Testing Center at 215-968-8466.

Lesya Avramenko (‘08) began taking English as a second language courses at Bucks, then completed an associate degree in social services. She has since completed a bachelor’s degree and is pursuing a master’s degree in social work, both at Temple University. The native of Ukraine says she’s deeply grateful for her experiences at Bucks as an ESL student who found her calling.

“For me, Bucks County Community College is where I found my home, where teachers taught me to speak, to read, and to write. This feeling I’ll keep in my soul for rest of my life: it’s a friendly, warm, and positive community, where your heart belongs.”

Justene Cieslak ('06) earned a certificate and associate degree in paralegal studies, plus a program of study award in correctional administration at Bucks. In 2011, she graduated from Penn State Abington with a bachelor's degree in administration of justice and is pursuing a career as a probation officer. The married mother of two says the small class sizes and flexible schedules appealed to her.

“The size of the college made it very personable and allowed me to really get to know my instructors. It was also a very smooth process to transfer my credits to Penn State. The advisors and faculty were all very knowledgeable and helped me through it at every step. I had a great experience at Bucks and wouldn’t have done it any other way.”

“PAIRED” READING SECTIONS

Some reading courses are "paired" with content courses (such as "Intro to Psychology") to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!

eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!
eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught completely online (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses combine on-campus meetings with online components. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

**BEFORE You Register**
1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

For information, contact the Online Learning Office:
Phone: 215-968-8052 • Email: learning@bucks.edu
Web or Live Chat: www.bucks.edu/online • Instant Messenger: learningatbucks

All students eligible for VA benefits must complete the form below and return it with their registration forms. It is imperative that this form be filled out accurately and completely. Failure to do so may result in a delay in receipt of benefits. Students applying for VA benefits for the first time must fill out an application in the Office of Veterans Affairs and submit a copy of your DD214 or your Notice of Basic Eligibility.

Returning students have the responsibility of insuring that they are certified to the VA accurately each semester that they are registered for classes. The Office of Veterans Affairs is located in the Hub. Telephone 215-968-8490. Hours are Monday through Friday, 8:30 a.m. to 4:00 p.m. during the semester. New and returning veterans are expected to pay College tuition on the same due dates as non-veteran students. However, tuition deterrents are available at the Office of Veterans Affairs.

Online registration

The College strongly recommends that you register online using your WebAdvisor account. Online registration continues through August 30.

NOTE: To register full time (12 or more credits) you MUST obtain advisor approval and will not be able to complete your registration without it. All students have a WebAdvisor account created for them when they apply. Students who have attended within the last 3 years will have active accounts. If you have been away from Bucks for more than 3 years or experience technical problems, contact the Helpline (215-968-8191 or webadvisor@bucks.edu). When emailing, please remember to include your name and birth date.

To access WebAdvisor, go to www.bucks.edu and click on WebAdvisor. You may click on the ‘WebAdvisor Guide for Students’ to read an overview. To access your account, click on the Current Students box then LOG IN by entering your User ID and Password.

Former students may report to an in-person advising event. These will be held on Wednesdays and Thursdays from 10am to 2pm and on Wednesday evenings from 5pm to 7pm on all three campuses. These events continue through August 4. (No events are scheduled for July 6 and 7.) Students who choose this advising method are expected to register and pay via WebAdvisor.

Advising Locations

Newtown Campus: Student Service Center (Rollins Center, first floor)
Lower Bucks Campus: Reception desk
Upper Bucks Campus: Reception desk

Also, online synchronous advising is available. For details, please visit www.bucks.edu/advising.

New students must schedule an advising/registration appointment online at bucks.edu/admissions/register/newstudentreg.php.

Placement Testing

All students must complete (or have waived) placement testing in reading and mathematics before advising and registration. Testing dates and exemptions are listed on page 10.

Prerequisites

You must supply proof that you satisfy course prerequisites if they are not already present on your Bucks academic record. Send an unofficial transcript or grade report (or photocopy) to Admissions that shows the prerequisite course completed with a grade of ‘C’ or better and a Prerequisite Waiver Form (www.bucks.edu/admissions/forms/prerequisite.pdf). These documents can also be faxed to 215-968-8110.

Payment

Your payment is due by July 13. If you register after July 13, payment is due immediately. Check your balance in WebAdvisor by clicking on “Account Summary” under the heading “Financial Profile”. We strongly recommend that you use WebAdvisor’s “Make a payment” option. If you pay by check or money order, mail your payment directly to the Student Accounts Office.

Print your WebAdvisor “Account Summary” page and include it with your payment. If you are receiving veteran’s benefits, you must ask the Veteran’s Affairs Office (215-968-8490) to enter a code onto your record that verifies that your payment is deferred.

Class Schedules

Please note that the College no longer mails class schedules. Please view your current schedule from your WebAdvisor account using ‘My Class Schedule’.
Richard Mohammed (*’11) became the first in his family to graduate college when he completed his associate degree. Seeking a career after high school, he came to Bucks to pursue nursing, earned very good grades, and was the student speaker at the Nursing Pinning Ceremony. He says Bucks gives everyone the chance to succeed.

“I came to Bucks County Community College because it was affordable and was a well-recognized school. I never thought I would do as well as I did, but I worked hard and it happened. I can now start my career as a Registered Nurse thanks to BCCC. Bucks lets you be whomever you want to be and I’m grateful for that.”

Kimberly Kratz (*’11) turned to Bucks in 2009 when she was laid off from her design position in the kitchen and bath industry. She soon became active in the Phi Theta Kappa honors society, discovered her love of journalism and became heavily involved in the Centurion student newspaper. That involvement earned her the Outstanding New Member award at the 2011 Student Awards Ceremony. The communication major intends to transfer to Gwynedd-Mercy College to pursue a bachelor’s degree.

“Bucks has the resources you need to get your degree. Tuition is an excellent value and there are many scholarship opportunities available. I’m so glad I chose Bucks because of the many friends I’ve made. It’s a really comfortable place to learn.”

Alex Sellen served on student government and as a Bucks Ambassador when he attended Bucks from 2009-11. He also earned two scholarships, including one from the Phi Theta Kappa honors society, which he’ll use as he completes his bachelor’s degree at Syracuse University’s famed Newhouse School of Public Communications.

“Bucks gave me the opportunity to choose exactly what I want to do with my future. My two years here, meeting countless award-winning faculty and staff, inspired and motivated me to strive for excellence in my college career. It’s nothing short of a blessing to have such a beautiful school so conveniently located that provides a great education. Besides the high-quality education, the value of Bucks was an integral part of my choice.”
