**Prerequisites**
Many Bucks courses require prerequisites. For example, you must take Principles of Accounting I before you can take Principles of Accounting II. In addition, some courses require placement testing. Make sure you have met the prerequisites before registering for a course, or provide a transcript or grade report from another institution at registration to prove you have met the requirements.

**Deferred Payments**
Make managing your tuition payments a little easier with a tuition payment plan administered by Sallie Mae. If you are unable to pay full tuition at the time of registration, Bucks offers a tuition payment plan, administered by Sallie Mae®. The earlier you register, the longer you have to pay your balance. There is a $25 administrative fee to sign up for this interest-free payment plan option. Other charges may apply based on payment method. If you have any questions about the plan, call Sallie Mae at 800-635-0120 and a specialist will be happy to assist you.

**Tuition Refund Policy**
If you wish to drop a course, notify Admissions, Records, and Registration in writing with your signature either with a letter or on a Drop/Add form. Requests may be submitted in person, mailed, or faxed to 215-968-8110. A drop or withdrawal becomes effective the day it is received.

Tuition and fees paid for canceled courses are refunded in full.
- Courses dropped before the official start-date of the term are refunded 100%.
- For a refund schedule for drops following the start of a semester, please visit bucks.edu/refundschedule

For the Spring 2012 semester, the last day for 100% refund is January 17, 2012.
- 50% refund (through January 28)
- 25% refund Jan. 29 – Feb. 9
- Withdrawing from courses on or after Feb. 10, no refund.

The college-service fee is non-refundable.
A tuition appeal may be submitted if you are able to provide documentation that you were unable to attend your registered courses due to medical, personal, employment-related or other extenuating circumstances. Appeal forms are available online, at Admissions and at the Evening Director’s office. Appeals will not be accepted after the end of the semester in question.

All Title IV Financial Aid recipients must refer to the College Catalog for the Financial Aid Refund Policy.

**Free Tuition for Senior Citizens**
If you are a Bucks County resident over age 65, tuition for credit courses is waived if you register for courses available after walk-in registration has ended.

For the Spring semester, senior citizen registration will be held January 13 from 1-4 p.m. at the Rollins Center on the Newtown Campus. (Those unable to register that day may still enroll during the add/drop period, Jan. 17-Jan. 24.)

Please note the following restrictions:
- Tuition waiver for senior citizens is only available on or after January 13.
- Proof of age is required.
- Senior citizens must still pay college fees.

Of course, to ensure a wider selection of classes, senior citizens may pay full tuition at any prior registration and forfeit the tuition waiver.

---

**Final Grade Reporting**
Bucks students will receive their grades online through WebAdvisor instead of in the mail. However, if you'd still like grades mailed to your home, you can request a grade report from Admissions by 5/21/12. See website for details: www.bucks.edu/graderequest

Stephen G. Jacobs ('83), who started working in restaurants when he was 15 years old, found he could merge his culinary passion with a profession when he came to Bucks to major in hotel and restaurant management. He’s been running his own restaurant – Jake’s Eatery – for more than two decades, and recently opened a second location. Jacobs says going to Bucks was a fun time in his life.

“I really liked being able to work in a restaurant, which was required by the apprenticeship program, while going to college. It helped me gain the practical experience I needed to advance in the industry – experience I relied on when opening my own businesses.”

“PAIRED” READING SECTIONS

Some reading courses are “paired” with content courses (such as Intro to Psychology) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!

eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught **completely online** (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses combine **on-campus meetings with online components**. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

**BEFORE You Register**

1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

For information, contact the Online Learning Office:
Phone: 215-968-8052  •  Email: learning@bucks.edu

Web Registration Continues Through January 24
The College strongly recommends that you register online using your WebAdvisor account. Online registration continues through January 24.
NOTE: To register full time (12 or more credits) you MUST obtain advisor approval and will not be able to complete your registration without it. All students have a WebAdvisor account created for them when they apply. Students who have attended within the last 3 years will have active accounts. If you have been away from Bucks for more than 3 years or experience technical problems, contact the Helpline (215-968-8191 or webadvisor@bucks.edu). When emailing, please remember to include your name and birth date.
To access WebAdvisor, go to www.bucks.edu and click on WebAdvisor. You may click on the ‘WebAdvisor Guide for Students’ to read an overview. To access your account, click on the Current Students box then LOG IN by entering your User ID and Password.

Prerequisites
You must supply proof that you satisfy course prerequisites if they are not already present on your Bucks academic record. Send an unofficial transcript or grade report (or photocopy) to Admissions that shows the prerequisite course completed with a grade of ‘C’ or better and a Prerequisite Waiver Form (www.bucks.edu/admissions/forms/tran-scripteval.pdf). These documents can also be faxed to 215-968-8110.

Payment
Your payment is due by Dec., 14. If you register after Dec., 14, payment is due immediately. Check your balance in WebAdvisor by clicking on “Account Summary” under the heading “Financial Profile”. We strongly recommend that you use WebAdvisor’s “Make a payment” option. If you pay by check or money order, mail your payment directly to the Student Accounts Office.
Print your WebAdvisor “Account Summary” page and include it with your payment. If you are receiving veteran’s benefits, you must ask the Veteran’s Affairs Office (215-968-8490) to enter a code onto your record that verifies that your payment is deferred.

Class Schedules
Please note that the College no longer mails class schedules. Please view your current schedule from your WebAdvisor account using ‘My Class Schedule’.

Placement Testing
All students must complete (or have waived) placement testing in reading writing and mathematics before advising and registration. Testing dates and exemptions are listed on page 10.
Alexa Dardas (’11) earned an associate degree in business administration with a perfect 4.0 grade-point-average, which helped her earn three scholarships through the BCCC Foundation. She plans to transfer to the University of Pennsylvania to major in international business and Spanish. She says she thrived as a student at Bucks, where she loved to learn and grow intellectually.

“Bucks is a place to discover your passion – who you want to be and your place in the world – at a fraction of the price. Bucks is a respite for students, and probably parents as well, to test the waters before making a daunting financial decision. Not only was I able to not stress out about paying for tuition, but I helped my parents out financially too. It is truly an unbelievable opportunity.”

Ann Cole returned to Bucks as an older student, at first taking just a few classes that piqued her interest. She later transferred to Thomas Edison State College to complete her bachelor’s degree in communication, and now works as a substitute teacher in three school districts, a freelance writer, and the director of a local theater group.

“Through Bucks I was able to find who I was. I was able to take some classes that really opened my mind. I knew that I wanted to major in communication but taking classes like world religion, existentialism, theater, and math opened my eyes to a broader world, and gave me the confidence that I needed in order to get where I wanted to go.”

Gregory P. Murphy (’77) earned a business administration degree at Bucks then transferred to St. Joseph’s University in Philadelphia for his bachelor’s degree. A banker for more than three decades, he’s currently an assistant vice president at Wells Fargo Bank. He says Bucks was a prudent choice when deciding on his career.

“I was able to sample a variety of different courses at Bucks before deciding that banking and finance was the path I wanted to take. It’s very cost effective, especially for those right out of high school who haven’t chosen a career. If you start at a four-year school, you’ll be paying a much higher tuition that could be wasted if you change majors.”
Bucks is your best value for a top-quality college education.

In a recent survey of students, 96% would recommend Bucks.

Where to learn. Where to return.
