Prerequisites
Many Bucks courses require prerequisites. For example, you must take Principles of Accounting I before you can take Principles of Accounting II. In addition, some courses require placement testing. Make sure you have met the prerequisites before registering for a course, or provide a transcript or grade report from another institution at registration to prove you have met the requirements.

Course Cancellation
If a course you select is canceled due to inadequate enrollment, you will be notified and issued a full refund if you cannot substitute a suitable course.

Please ask your high school to send your transcripts to the Admissions Office. If you earned a General Equivalency Diploma, please ask the agency that issued your GED to send your scores to the Admissions Office. This is required for all Bucks students.

Residency Verification
All new and current students are required to provide proof of residency to ensure that you are charged the appropriate tuition. For in-county tuition you must be a continuous resident in Bucks County for at least 12 months prior to registration.
Examples of acceptable proof of residency:
- Deed, lease or rent receipts
- Personal or real estate state and local tax receipts

International students – non-U.S. Citizens who do not have resident, alien, asylee, or refugee status are charged out-of-state tuition. A copy of the Regulation of the State Board of Education of Pennsylvania, Chapter 35, Community colleges is available in Admissions (The Hub).

Deferred Payments
Make managing your tuition payments a little easier with a tuition payment plan administered by Sallie Mae. Paired Sections for Spring 2013

Some reading courses are “paired” with content courses (such as Intro to Psychology) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading and content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!

eLearning & Hybrid

eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- **eLearning** courses are taught **completely online** (there may be one face-to-face orientation meeting at the beginning of the semester).
- **Hybrid** courses combine on-campus meetings with online components. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

BEFORE You Register

1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

For information, contact the Online Learning Office:
Phone: 215-968-8052 • Email: learning@bucks.edu
Web or Live Chat: www.bucks.edu/online • Instant Messenger: learningatbucks

**15-Week eLearning Courses (Starting 1/23/13)**

By Subject Area

Refund and withdrawal dates follow the Spring 2013 Term calendar. For detailed information, please visit www.bucks.edu/welcome.

**NOTE:** Section number E** means that multiple sections are offered.

This information will be kept in strict confidence and has no effect on your admission to Bucks.

When Paula Weiss (‘11) was looking for a new career after several years of raising a family, the 30-credit Medical Coding and Billing program was a perfect fit. Within a year she had earned the certificate, passed professional certification exams, and landed a full-time job at a busy surgeon’s office, thanks to an externship at St. Mary Medical Center.

“The externship was a great experience because I got a first-hand look at outpatient billing. That gave me an inside track as an applicant for my current position. Now, I’ve been able take student externs in my office for the program, and give back to Bucks what Bucks gave to me. It’s nice to be a part of the community, become educated in it, and work in it, and give back to the community as well.”

Robert Miller turned to Bucks to get back on track after he was laid off from his electronics manufacturing job. Thanks to JobTrakPA, his tuition is covered by a grant as he earns a certificate for advanced manufacturing and logistics. He’s able to continue his job search full time during the day while taking courses two nights a week and online.

“I like the interactive, online training, and that you can go at your own pace.”

Meghan (Downey) Colello (‘06), parlayed her associate degree in business into a healthcare career. She transferred to Thomas Jefferson University, majored in chemistry, and earned her Doctor of Pharmacy degree. She now works full-time as a licensed pharmacist for a major retail chain, and credits the “incredible professors” at Bucks for guiding her ambitions.

“I loved the professors. They are all amazing. They have life experience that they bring into the classroom, and that’s something you can’t learn from a book.”
