Paired Sections for Spring 2014

Some reading courses are “paired” with content courses (such as Intro to Psychology) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading and content course.

STUDENTS MUST ENROLL IN BOTH ‘PAIRED’ SECTIONS!
