Prerequisites
Many Bucks courses require prerequisites. For example, you must take Principles of Accounting I before you can take Principles of Accounting II. In addition, some courses require placement testing. Make sure you have met the prerequisites before registering for a course, or provide a transcript or grade report from another institution at registration to prove you have met the requirements.

Course Cancellation
If a course you select is canceled due to inadequate enrollment, you will be notified and issued a full refund if you cannot substitute a suitable course.

High School Transcripts
Please ask your high school to send your transcripts to the Admissions Office. If you earned a General Equivalency Diploma, please ask the agency that issued your GED to send your scores to the Admissions Office. This is required for all Bucks students.

Residency Verification
All new and current students are required to provide proof of residency to ensure that you are charged the appropriate tuition. For in-county tuition you must be a continuous resident in Bucks County for at least 12 months prior to registration.

Examples of acceptable proof of residency:
- Deed, lease or rent receipts
- Personal or real estate state and local tax receipts

International students – non-U.S. Citizens who do not have resident, alien, asylee, or refugee status – are charged out-of-state tuition. A copy of the Regulation of the State Board of Education of Pennsylvania, Chapter 35, Community colleges is available in Admissions (The Hub).

Payments
TUITION DUE DATE: DECEMBER 18, 2013
Full payment of tuition and fees is due at registration following the Dec. 18 deadline. In addition, all outstanding balances with the College must be paid in order to register. To pay online, please visit www.bucks.edu/payonline. The College accepts American Express, Visa, MasterCard and Discover credit cards, as well as personal checks, money orders and cash.

Dropping Courses
As a student, it is your responsibility to drop unwanted courses in time to make those seats available to others. If you do not pay for or do not attend your courses, you will still be charged for them unless you officially drop them by the published deadline. For details, please see the section on “Tuition Refund Policy” on this page.

Deferred Payments
Make managing your tuition payments a little easier with a tuition payment plan administered by Sallie Mae. If you are unable to pay full tuition at the time of registration, Bucks offers a tuition payment plan, administered by Sallie Mae®. The earlier you register, the longer you have to pay your balance. There is a $25 administrative fee to sign up for this interest-free payment plan option. Other charges may apply based on payment method. If you have any questions about the plan, call Sallie Mae at 800-635-0120 and a specialist will be happy to assist you.

Tuition Refund Policy

Tuition and fees paid for canceled courses are refunded in full.
- Courses dropped before the official start-date of the term are refunded 100%.

For the Spring 2014 semester, the last day for 100% refund is January 21, 2014.

- 25% refund Feb. 2 – Feb. 13

Appeal forms are available online, at Admissions and at the Evening Director’s office. Appeals will not be accepted after the end of the semester in question.

All Title IV Financial Aid recipients must refer to the College Catalog for the Financial Aid Refund Policy.

Free Tuition for Senior Citizens

### LATE REGISTRATION HAS BEEN ELIMINATED!

Your success as a student at Bucks is our primary concern. Our research shows those students who register for their courses after the term has begun do less well and are less likely to continue in their studies. Therefore, the College will no longer allow late registration for the coming Spring term. This means that you must register no later than Friday, January 17, 2014 for full-term Spring 2014 courses (courses that begin between 1/22/14 – 1/28/14).

Students who are registered for full-term courses may adjust their schedules, but late registration will no longer be accepted during the drop/add period. Registration for 14/SP February Modulars, 14/SP March Modulars and 14/SP April Modulars, will be accepted up until two days before they begin. **Again, late registration will no longer be accepted, so be sure to REGISTER ON TIME!**

Paired Sections for Spring 2014

Some reading courses are "paired" with content courses (such as Intro to Psychology) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading and content course.

STUDENTS MUST ENROLL IN BOTH 'PAIRED' SECTIONS!

Upper Bucks Campus

**College Exploration Night**

Wednesday, May 7, 2014 • 5 - 7 pm

Parents and students are welcome to visit and tour the Upper Bucks campus. Meet campus representatives from our academic and student service areas. Attend a small group meeting that focuses on the steps and procedures to becoming a Bucks student.

For additional information call 215-258-7700.
eLearning and Hybrid courses offer flexible choices to fit your schedule and travel needs!

eLearning and Hybrid courses have the same application and registration procedures, tuition/fees, assessment tests, prerequisites, and credits earned as face-to-face sections of the same course. All courses have specific beginning and ending dates. Students are responsible for checking the meeting and technology requirements for a course prior to registering.

- eLearning courses are taught completely online (there may be one face-to-face orientation meeting at the beginning of the semester).
- Hybrid courses combine on-campus meetings with online components. Some courses may have as few as two on-campus meetings; others may meet on a regular basis.

**BEFORE You Register**
1. Consult the Online Learning website (www.bucks.edu/online) to be sure that online learning is appropriate for you.
2. Read the Course Information Page (www.bucks.edu/welcome) of the specific section you are considering. **DO NOT REGISTER FOR A COURSE THAT HAS A REQUIRED ORIENTATION OR SCHEDULED ON-CAMPUS MEETINGS THAT YOU CANNOT ATTEND.**

For information, contact the Online Learning Office:
Phone: 215-968-8052 • Email: learning@bucks.edu
Web or Live Chat: www.bucks.edu/online • Instant Messenger: learningatbucks

**15-Week eLearning Courses (Starting 1/22/14)**

Web Registration Continues Through January 20*

The College strongly recommends that you register online using your WebAdvisor account. Online registration continues through January 20. NOTE: To register full time (12 or more credits) you MUST obtain advisor approval and will not be able to complete your registration without it. All students have a WebAdvisor account created for them when they apply. Students who have attended within the last 3 years will have active accounts. If you have been away from Bucks for more than 3 years or experience technical problems, contact the Helpline (215-968-8191 or webadvisor@bucks.edu). When emailing, please remember to include your name and birth date.

To access WebAdvisor, go to www.bucks.edu and click on WebAdvisor. You may click on the ‘WebAdvisor Guide for Students’ to read an overview. To access your account, click on the Current Students box then LOG IN by entering your User ID and Password.

Advising Locations

Newtown Campus: Student Service Center (Rollins Center, first floor)
Lower Bucks Campus: Reception desk
Upper Bucks Campus: Reception desk

New students must schedule an advising/registration appointment. Details at www.bucks.edu/advising.

Prerequisites

You must supply proof that you satisfy course prerequisites if they are not already present on your Bucks academic record. Send an unofficial transcript or grade report (or photocopy) to Admissions that shows the prerequisite course completed with a grade of ‘C’ or better and a Prerequisite Waiver Form (www.bucks.edu/admissions/forms/transcripteval.pdf). These documents can also be faxed to 215-968-8110.

Payment

Your payment is due by Dec. 18. If you register after Dec. 18, payment is due immediately. Check your balance in WebAdvisor by clicking on “Account Summary” under the heading “Financial Profile”. We strongly recommend that you use WebAdvisor’s “Make a payment” option. If you pay by check or money order, mail your payment directly to the Student Accounts Office.

Print your WebAdvisor “Account Summary” page and include it with your payment. If you are receiving veteran’s benefits, you must ask the Veteran’s Affairs Office (215-968-8490) to enter a code onto your record that verifies that your payment is deferred.

Please note that the College no longer mails class schedules. Please view your current schedule from your WebAdvisor account using ‘My Class Schedule’.

Placement Testing

All students must complete (or have waived) placement testing in reading, writing and mathematics before advising and registration. Testing dates and exemptions are listed on page 10.

*See page 5 for modular course deadlines.
Three Bucks Students – Andrew McGalliard (left), John Swearer (center), and John “Joey” Ramirez (right) – took advantage of internships at Lockheed Martin Space Systems Company-Newtown to advance their academic and professional careers.

McGalliard (‘11) interned for two summers, working on the Global Positioning System III program. GPS III will provide the next-generation of navigation satellites for the U.S. Air Force. He then transferred to Temple University to complete his computer science degree.

“At Lockheed Martin, I was able to utilize the Java I [computer programming language] I learned at Bucks. I really enjoyed working there and gaining practical working experience directly in my field of study.”

Swearer studied general engineering for two years at Bucks and then transferred to Drexel University. He spent the summer of 2012 gaining hands-on experience as an intern with Lockheed Martin’s parts, materials, and processes team. He helped to resolve hardware and parts issues with the U.S. Air Force’s technical representatives while working on the GPS III system.

“The internship really provided nice real-world applications to classroom instruction. It’s one thing to learn concepts and formulas in class, and another to apply them in the real world.”

Ramirez (‘12) who earned an associate degree in business administration and then transferred to Temple University to major in actuarial science, completed two summer internships for Lockheed Martin. He started in the area of audit preparedness to ensure the company was ready for a government audit.

“You gain experiences that you can’t gain in the classroom through the internship work. You also set yourself apart when transferring to another institution and on your resume when applying for a job.”

Alaina Lee is a sophomore business major whose family relocated to Bucks County from Washington State. The honors student, who is active in Phi Theta Kappa, Kappa Beta Delta, and Students in Free Enterprise, says her parents chose this area based on the reputation of the community college.

“I would highly recommend coming to Bucks for two years and getting your prerequisites done. It’s so affordable. You can get involved with clubs and meet friends in a friendly environment, while still living at home and saving money.”

Sophomore Mohammed Ammouni won the 2013 men’s tennis singles championship for the Eastern Pennsylvania Athletic Conference as a member of the Bucks Centurions tennis team. The information science and technology major is an honors student who has been playing tennis since he was 10 years old.

“I see tennis as a microcosm of life, giving me the discipline, perseverance and determination to excel in all I do, which includes competing for Bucks again in 2014 and then transferring to Temple.”
