

Spring 2024 Courses that Have Sections with

Some of these courses have never required a textbook purchase. Some use only library resources. Others use Open Educational Resources (OER) which are free online educational materials. Some OER have print copies available at the college bookstore for far less cost than a commercial textbook—the bookstore information for your course section will let you know if this is an option. Please note that for some courses, not all sections are ZTC.
