

## Bucks County Community College

### Steps to Enroll in Summer Kinesiology Courses at Bucks

**Students from Council Rock School District interested in taking Kinesiology classes over the summer must complete the following steps:**

1. Apply to Bucks at [www.bucks.edu/apply](http://www.bucks.edu/apply)
  - Be sure to use your personal email address and not a school email address.
  - Indicate that you are taking classes at Bucks while still in high school when answering the application questions.
  - Upon admission you will receive important information via email, including your Bucks Student ID # and instructions on how to access your Bucks student email.
2. After being admitted to Bucks and receiving your Bucks student ID via email, submit a High School Approval Form at [www.bucks.edu/HSApproval](http://www.bucks.edu/HSApproval)
  - You can find the list of summer courses being offered [here](#)
  - Please allow 1-2 business days for your form to be processed.
  - Once your form is processed you will receive an email with next step instructions to complete summer registration via your Student Planning account.
3. Summer Kinesiology courses do fill quickly; be sure to complete registration as soon as possible upon receiving your approval email with instructions to register.
  - You will be instructed to pay for your course during registration in Student Planning
  - Be sure to monitor your Bucks student email for important information.
  - If you decide to change the summer kinesiology course you would like to register for, you do not have to submit a new high school approval form and you are approved to register for any summer kinesiology course that is available with open seats.

#### **Questions about High School Enrichment?**

Visit our [website](#) or contact our Assistant Director of Dual Enrollment, Andrea Dent at [andrea.dent@bucks.edu](mailto:andrea.dent@bucks.edu) or [hsenrichment@bucks.edu](mailto:hsenrichment@bucks.edu).
