Student Emergency Fund

The Foundation: Changing Lives Through Community Support

The Bucks County Community College Foundation connects generosity with purpose. Governed by a dedicated volunteer board, the Foundation accepts gifts of all kinds—cash, securities, bequests, sponsorships, special event participation, and even IRA distributions—to support scholarships, academic programs, and campus improvements. Every gift strengthens Bucks' mission as the community's college, expanding access to education and transforming lives through opportunity, hope, and student success.
