

## How to install LockDown Browser from off campus to take a Quiz on Canvas

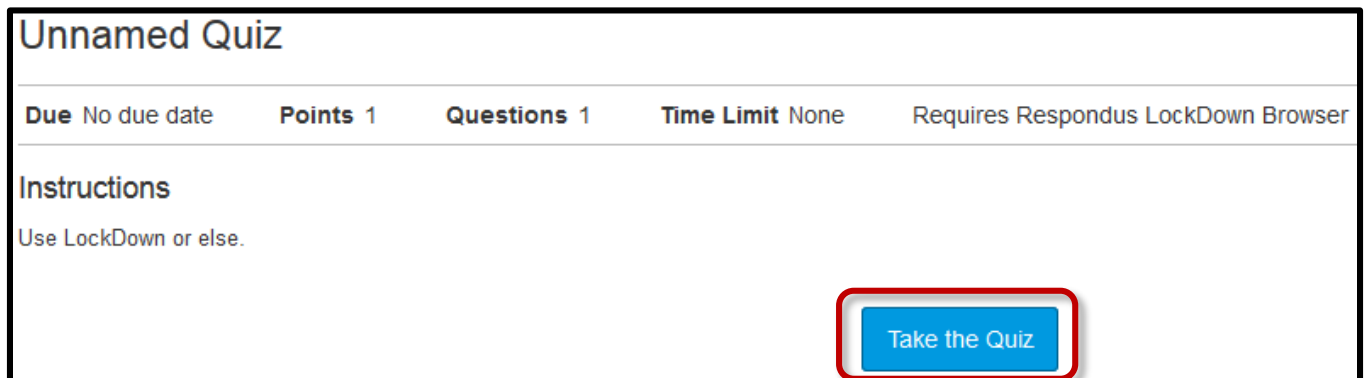

1. Sign into Canvas and access your course. Click **Quizzes** on the left side navigation.

2. Click on whichever quiz you need to take.

3. The quiz will specifically say, “Requires Respondus LockDown Browser.” Click **Take the Quiz**. **Note:** It is safe to click this link, you **will not** begin the quiz.

- Click on the direct download link for LockDown Browser.

**Respondus LockDown Browser Required**

This quiz requires Respondus LockDown Browser. Please launch Respondus LockDown Browser to take this quiz or view  
If you have not already installed the browser, please download it from here [\[Download Respondus LockDown Browser\]](#)

- Click the **Install Now** button. Download and install the program.

Note: Your antivirus software must allow you to install software.

**Install Now**

Total size: 4.4 MB

Opening LockDownSFX-107-07.exe

You have chosen to open:

 **LockDownSFX-107-07.exe**  
which is: Binary File  
from: <http://www.respondus7.com>

Would you like to save this file?

Open File - Security Warning

**Do you want to run this file?**

 Name: ...elliottg\Downloads\LockDownSFX-107-07(1).exe  
Publisher: [Respondus, Inc.](#)  
Type: Application  
From: C:\Users\elliottg\Downloads\LockDownSFX-107-...

Always ask before opening this file

 While files from the Internet can be useful, this file type can potentially harm your computer. Only run software from publishers you trust. [What's the risk?](#)

6. After the installation, click the **LockDown Browser** icon on your Desktop. It will also be installed on your Start Menu > All Programs under the Respondus folder. Mac users can check the Desktop or the Finder under Applications.

7. There will be a dropdown menu in LockDown Browser. Choose the **Canvas @ Bucks** option and click OK. LockDown Browser will need to close certain program in order to run. E-mail clients, screenshot programs, etc. After all appropriate programs have been closed, you can sign into your Canvas account as normal and go back to the quiz you need to take.
