

Online Courses Using Pearson MyLab and Mastering

Visit the [Course Offerings](#) page on the Bucks website to determine if your course is using MyLab and Mastering. It is also important that you check your student email for information from your instructor.

1. Start by visiting the [Pearson MyLab and Mastering](#) site. If this is your first time using MyLab and Mastering, click **Student** under Register. Otherwise, click **Sign in** to access an account you have previously created.

3. The account creation process will begin. You will need to enter your email address, name, a new password, create a secret question and accept the agreement.
4. After your account has been successfully created, you will need to enter your Access Code. This comes bundled with your textbook.
