

## ***General Requirements for Technical Rescuer***

### **General Accreditation Information**

#### **Performance Standard**

The NFPA 1006-2013 edition, Standard for Technical Rescuer Professional Qualifications, will be the performance standard referenced for General Requirements for Technical Rescuer.

#### **Entrance Requirements**

The General Requirements for Technical Rescuer candidate must meet the following entrance requirements before a certificate can be issued:

- Candidate must be a minimum of 16 years of age.
- Candidate must possess a current CPR Card
- Candidate must possess a current First Aid Card (or higher level of Emergency Medical Training)
- Candidate must possess a nationally recognized certification to the Hazardous Materials Awareness Level in accordance with NFPA 472, through IFSAC or ProBoard.
- Candidate must possess Basic Ropes & Rigging Training that meets the intent of NFPA 1670 and NFPA 1006-2013 Chapter 5, which has been approved to meet the requirement by the Bucks County Community College Department of Public Safety Training and Certification.

#### **Program Requirements**

The instruction and evaluation given a General Requirements for Technical Rescuer candidate who achieves certification is critical to ensuring a quality program. Training and evaluation of students must be accomplished by qualified individuals, certified at the prescribed level. All evaluators shall be contracted employees of the Bucks County Community College.

#### **Candidate Evaluation**

Evaluation of the candidate for certification is an important process. Candidates are evaluated in a manner that is completely separate from the educational and training process.

#### **Physical Fitness Requirement**

The candidate's sponsoring agency should ensure the candidate meets the requirements of NFPA 1582, Standard on Medical Requirements for Fire Fighters and Information for Fire Department Physicians, within a reasonable period of time prior to entering into physical training or testing to ensure his or her ability to safely perform the required tasks.

### **Written Examination**

The written examination measures the cognitive skills of the General Requirements for Technical Rescuer will follow guidelines set forth in accordance with the policies and procedures of the Bucks County Community College. The examination will be randomly generated and consist of seventy-five (75) questions. Candidates will have a maximum of 2 hour to complete the examination. A score of 70% or above shall constitute a passing grade for the candidate.

### **Written Examination Re-Test Policy**

Candidates who are unsuccessful (Less than 70%) on the written test will be allowed to retake the test up to two (2) times within one (1) year of the original test. The one year time frame can be extended at the Director of Certification's discretion. After three (3) unsuccessful attempts the candidate will be required to seek remediation that is approved by the Certification Department on a case by case basis. All candidates eligible for re-testing may be given one chance to re-test if time and materials are available on the same day as their initial test, but are not permitted to test more than two (2) times in one day.

Note: After successful completion of remediation, a candidate may be subject to a \$25.00 retesting administrative fee for any fourth attempt retest or greater.

### **Practical Examination**

Practical examinations are intended to measure the practical skills of the General Requirements for Technical Rescuer will follow guidelines set forth in accordance with the policies and procedures of the Bucks County Community College. The agency is capable of testing 100% of the practical objectives; however, the examination may only test a pre-selected percentage based on the testing scenarios provided to the evaluator. A score of 100% for the pre-selected skills shall constitute a passing grade for the candidate.

The Ropes and Knots skill Station for General Requirements for NFPA 1006 will be a "GO" or "NO GO" skill. Because a significant amount of the skills require the use of these knots, a candidate that cannot pass this skill on the first or second attempt, if the candidate chooses, will be failed for the entire testing process. The candidate will be advised to seek remedial education and reapply for another certification testing process.

### **Practical Examination Re-Test Policy**

Candidates receiving unsatisfactory grades on 50% or more of the skill set being tested (*Note: Minimum of three skill stations, for levels with two skills or less a retest will be authorized*) will fail the skills test and be advised to seek remedial education and reapply for another certification testing process.

Candidates receiving unsatisfactory grades on *less than 50%* of the skill set being tested (*Note: Minimum of three skill stations, for levels with two skills or less a retest will be authorized*) will be allowed to retest those unsatisfactory skill sets in accordance with policies and procedures. All candidates re-testing will be allowed to retest a skill station at a subsequent test date up to two (2) times, within one (1) year of the start of the testing process, or if the station allows by making an appointment to retest the station at an approved and designated site by the Certification Department. All candidates eligible for re-testing may

be given one chance to re-test if time and equipment are available on the same day as their initial test, but are not permitted to test more than two (2) times in one day.

### **Appeal**

All candidates have the right to appeal the decision of the certification department, so long as the appeal is submitted in writing and in accordance with the Policies and Procedures of the Bucks County Community College.

### **Reciprocity**

Any General Requirements for Technical Rescuer's certified by another agency accredited by the International Fire Service Accreditation Congress (IFSAC) or National Board on Fire Service Professional Qualifications may be granted an equivalency upon verification of the original certificate.

### **Recertification**

In the Commonwealth of Pennsylvania, certification is a voluntary process and currently there is no process or requirement for recertification. Each certificate issued to a candidate indicates the discipline and edition year that they were evaluated under at the time of certification. New certificates are not issued when the discipline changes.

### **Testing Assistance**

Candidates who require assistance in completing the written examination should have an IEP or other formal evaluation attesting to this need. The candidate is required to submit the documentation and completed Special Education Accommodation form to the Certification Department for evaluation at least ten (10) business days prior to your scheduled test. After receiving the documentation you will be contacted with the outcome of what accommodations can be arranged if any.

### **Cheating and Plagiarism**

The expectation at Bucks County Community College is that the principles of truth and honesty will be rigorously followed in all academic endeavors. This assumes that all work will be done by the person who purports to do the work without unauthorized aids. In addition, when making use of language and some idea not his or her own, whether quoting them directly or paraphrasing them into his or her own words, the student must attribute the source of the material in some standard form, such as naming the source in the text or offering a footnote. (Source: Bucks County Community College Policy Regarding Cheating and Plagiarism)

### **Background Check**

The candidate will be required to sign a statement that attests to the candidate has never been convicted of an offense that constitutes the crime of "arson and related offenses" under 18 Pa.C.S §3301 or any similar offense under any Federal or state law. "I understand that if I knowingly make any false statement herein, I am subject to penalties prescribed by law, including, but not limited to, a fine of at least \$1,000."
