	Sport Management , B.S. (requires a minimum of 2.25 GPA)

*\* The Undergraduate Athletic Training program at Neumann University is currently transitioning to a combined B.S./M S. program per the mandate of CAATE (The Commission on the Accreditation of Athletic Training Education). Beginning in the fall of 2018, undergraduates wishing to pursue a degree in Athletic Training will enter Neumann University as Health Science Majors in either the Strength and Conditioning track or Exercise Physiology track and can be accepted into the 3+2 Master's Program if they meet the specific qualifications of that program. Bucks students wishing to transfer to Neumann for this program should first discuss their transfer plans with the Advising & Transfer Center at Bucks.*
