

Setting up your Student Login Information & Viewing your Test Scores

1. In your browser's search bar, please type in www.bucks.edu and click on "Bucks for Students".

2. Next, please click on "Change Password".

3. On the Password Manager page, you will click on "Setup Your Profile" and enter your information. Once you get to the last page, you will click on "Redirect" and put in more information. Once you have reached the last page and see the message "Successful Password Change...", you can return to www.bucks.edu. If you encounter any issues in setting up your account, the Help Desk can be reached at 215-968-8191 for assistance.

FIRST TIME USING PASSWORD MANAGER?

If you have never used the Password Manager before, **you must set up your profile before you can reset your password.**

SETUP YOUR PROFILE

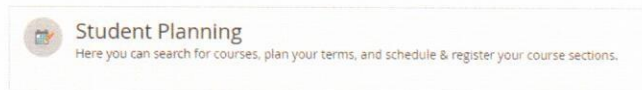

4. Once you have returned to the main website, please click on “Bucks for Students” again, and click on “Student Planning”.

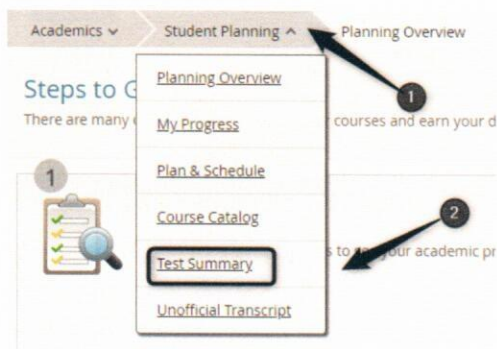

5. Next, you will login to your account with your username as well as the password that you have created.

6. Once you are logged in, you will click on “Student Planning”.

7. Once you have clicked on “Student Planning”: (1) Hover your mouse over “Student Planning”; and (2) click on “Test Summary”. You will now be able to view your placement testing scores.
