WHAT WE CAN DO
- help you utilize your math text, class notes, and homework assignments
- help you learn how to read, interpret, and set up a math problem
- help you get started on a homework assignment
- help you understand a particular mathematical concept
- help you solve a difficult homework problem
- help you to improve your math note-taking skills
- help you learn how to prepare for a math test
- help you focus on and interrelate the various topics covered in your course
- help you devise a strategy for taking a math test

WHAT WE CAN'T DO
- be of much help if you come to the Center the day of your test
- do your homework for you
- be of any assistance with a take-home test
- take the place of going to class
- guarantee that you will get a good grade
- tutor for placement or standardized tests, such as the NLN, Praxis, etc.
