Phone Sessions

***Phone sessions are **appointment-based** for **one hour**. The tutor will call you using a blocked phone number. You will have the option to email materials ahead of time so you and the tutor can look at the materials together. For phone sessions, please look at the combined Real-Time Online/Phone Appointments below.

Real-Time Online Appointments

***Online appointments last one hour. Prior to the appointment, you will receive an email with instructions for accessing the online platform where the appointment will take place. Once in the online space, you will have the option to chat/talk with your tutor; you will also be able to upload images or files (such as a homework assignment). For Real-Time Online Appointments, please look at the combined Real-Time Online/Phone Appointments below.
