

Physics, Engineering and Astronomy Tutoring Hours at Academic Success Center

Schedule for Fall 2021

Please visit www.bucks.edu/asc, email tutor@bucks.edu, or call 215-968-8044 to make an appointment.

Drop-In Tutoring

***Drop in tutoring is available **without an appointment and only online**. It is best used to answer a **quick question**. A tutor will monitor the space during the hours listed below. If you have a more in-depth question, we recommend that you make an appointment for an hour-long phone, online, or in-person session. When a tutor is monitoring the drop-in room, you can enter the room at this link: <https://bucks.goboard.com/76b33a>.

Fall 2021 Semester	
Wednesdays	8:00pm – 9:00pm
Fridays	5:00pm – 6:00pm

Phone Sessions

***Phone sessions are **appointment-based** for **one hour**. The tutor will call you using a blocked phone number. You will have the option to email materials ahead of time so you and the tutor can look at the materials together. For phone sessions, please look at the combined Real-Time Online/Phone Appointments below.

Real-Time Online Appointments

***Online appointments last one hour. Prior to the appointment, you will receive an email with instructions for accessing the online platform where the appointment will take place. Once in the online space, you will have the option to chat/talk with your tutor; you will also be able to upload images or files (such as a homework assignment). For Real-Time Online Appointments, please look at the combined Real-Time Online/Phone Appointments below.

Ask a Tutor Form

***If you have a quick question, you can submit it using the Ask a Tutor Form: <https://www.bucks.edu/academics/asc/online/onlinequestions/#d.en.39247>

We will respond to your question as soon as possible, but if you submit your form by noon on a business day we will return it to you by 4pm the next business day.***
