### Drop-In Tutoring

\*\*\*Drop in tutoring is available **without an appointment**. It is best used to answer a **quick question**. A tutor will monitor the space during the hours listed below. If you have a more in-depth question, we recommend that you make an appointment for an hour-long phone or online session.

Chemistry	
Saturday for 100, 101, 102, 121, 122, 221, 242	7:00am – 8:00am
Sunday for 100, 101, 102, 121, 122, 221, 242	7:00am – 8:00am

### Phone Sessions

\*\*\*Phone sessions are **appointment-based** for **one hour**. The tutor will call you using a blocked phone number. You will have the option to email materials ahead of time so you and the tutor can look at the materials together.

For phone sessions, please look at the combined Real-Time Online/Phone Appointments below. **\*\*Note: All appointments must be scheduled at least one hour prior to the desired appointment time.\*\***

### Real-Time Online Appointments

\*\*\*Online appointments last one hour. Prior to the appointment, you will receive an email with instructions for accessing the online platform where the appointment will take place. Once in the online space, you will have the option to chat/talk with your tutor; you will also be able to upload images or files (such as a homework assignment). For Real-Time Online Appointments, please look at the combined Real-Time Online/Phone Appointments below. **\*\*Note: All appointments must be scheduled at least one hour prior to the desired appointment time.\*\***
