Real-time Online Appointments: Online appointments last one hour. Prior to the appointment, you will receive an email with instructions on accessing the online platform where the appointment will take place. Once in the online space, you will have the option to chat/talk with your tutor; you will also be able to upload images or files (such as a draft of an essay).

Phone Sessions: Phone sessions are appointment-based and last one hour. At the time of the appointment, the tutor will call you using a blocked phone number. You will also have the option to email materials like a paper draft ahead of time so you and the tutor can look at the materials together. You can also use the phone session to practice conversation skills with the tutor.
