

Hicks Art Center Gallery presents:

BRYANT HOLSENBECK PARADISE LOST & RECYCLED

Join us during our **week-long residency** with environmental artist **Bryant Holsenbeck** in conjunction with her exhibition *Paradise Lost & Recycled*. Bryant will work with students, staff, faculty and community members to create a 20-foot “waterfall” made of plastic water bottles in the Gallery. Everyone – businesses, families, scouts and school students – can participate in this opportunity to raise awareness of the importance of recycling and its impact on our environment.

We need CLEAN, EMPTY water bottles for the project.

You can help!

Put your 8–32 oz. water bottles with labels and lids into these bins, located on all three BCCC campuses.

Do you know a group that would join the project?

Extra signage, bins and clear plastic bags are available to outside individuals or groups who want to collect bottles.

Follow our progress.

We will share our progress by posting photos of the growing mountain of water bottles on Bucks County Community College’s Facebook and Twitter.

Mark your calendar! The residency will take place February 2 – 6, 2015.

Work with Bryant Holsenbeck and other volunteers to create the waterfall.

All ages can participate. Let us know if you or your group is interested in helping with the installation.

Artist talk with Bryant Holsenbeck: Wednesday, February 4, 3 – 4 p.m. Music & Multimedia Center, room 10.

Sculpture Workshop with Bryant Holsenbeck: Wednesday, February 4, 4 – 6 p.m. Eligible for two Act 48 hours. Call 215-968-8432 to register. (\$30 workshop fee)

Gallery Reception: Friday, February 6, 5 – 7 p.m. Gallery talk at 6 p.m.

The waterfall will remain on display in Hicks Art Center Gallery through March 13, 2015.
